PARAGRAPHS AND ESSAYS WITH INTEGRATED READINGS is the higher-level companion to SENTENCES, PARAGRAPHS, AND BEYOND in the two-book Brandon series. Instruction in this text -- comprehensive, flexible, and relevant -- is predicated on the idea that reading and writing are linked and that good writing is the product of revision and rigorous editing. The hallmarks of the Brandons' books are tall-show-engage instruction, ample demonstrations of good professional and student writing, and an abundance of reading-based, high-interest general, cross-curricular, and career-related topics and prompts. The reading-based writing presented in this book provides experience in critical thinking that enables students to write competently across the disciplines and transition smoothly to the next level of the English program. Important Notice: Media content referenced within the product description or the product text may not be available in the ebook version.

Make sense of international personal finance with expert-specific expert advice The Cross-Border Family Wealth Guide is the long-awaited financial handbook for cross border families, with expert insight from a financial advisor who specializes in expat issues. Whether you're an American living abroad, or foreign-born and living in the U.S., this book demystifies the complex issues surrounding the worldwide tax system, international information reporting, sensible investments, international real estate, and retirement planning. When your wealth crosses international borders, managing even the most mundane financial affairs can become wrought with time-consuming complexity; moving money, opening accounts, dealing with currency risks and translation, and setting up investments suddenly involves a whole new set of rules and regulations. Your 401(k), IRA, or annuity must be handled properly to retain certain tax benefits, and retirement planning takes on a brand new dimension of difficulty. This book shows you how to navigate the maze to make sure your money keeps working for you. Real world examples illustrate solutions to common problems, and real, actionable advice gives you a solid plan for your next steps. While personal finance management is rarely simple, the recent crack-down on tax havens and increased tax collection vigilance has made things even more difficult for cross border families. This book answers your questions, and shines a light on the way forward to long-term financial security for international families. Navigate the complexities of international taxation Get specific guidance on retirement planning Make sense of how real estate fits into your financial picture Invest appropriately to maximize growth for the future Manage your assets and tax benefits across borders With the right know-how, cross border professionals can make sensible investment and financial planning decisions, but credible guidance is rare and difficult to find. Simple and practical, with targeted advice, The Cross-Border Family Wealth Guide is the international family's solution for avoiding financial confusion.

Considered the industry standard resource, this guide provides practical guidance, essential information and hands-on advice on the many aspects of accounting and authoritative auditing for employee benefit plans. This new 2016 edition is packed with information on new requirements — including the simplification of disclosure requirements for investments in certain entities that calculate net asset value per share (or its equivalent), the simplification of disclosures for fully benefit-responsive investment contracts, plan investment disclosures, and measurement date practical expedient, and a new employee stock ownership plans chapter that includes both accounting and auditing.

Featuring Deborah E. Bouchoux ' s highly regarded assignments, examples, and building-block approach, Concise Guide to Legal Research and Writing, Fourth Edition continues to provide timely coverage of the essential research and writing skills used by today ' s paralegals. Designed specifically for paralegal students, this is the ideal text for shorter legal research and writing courses. New to the Fourth Edition: New " Sidebar " feature in all research chapters provides quick tips showing how the material in that chapter applies to computer-assisted legal research systems, such as Lexis, Westlaw, and Bloomberg Law. Discussion of GovInfo, which provides free public access to official and authenticated publications from all three branches of the federal government. Coverage of new tools used for cite-checking, including EVA and Bestlaw. Discussion of Westlaw Edge. Westlaw ' s new research platform. Extensive new coverage of the increasing use of artificial intelligence in legal research and writing. Discussion of new sources that provide free public access to the law, including Harvard ' s Caselaw Access Project, CourtListener, and RECAP Project. New sections on preparing email letters and email memoranda, including assignments. All new Research Questions and Internet Legal Research Assignments have been included for each chapter. Professors and students will benefit from: Concise, well-organized text, divided into six main sections: Section I discusses primary authorities Section II covers secondary sources Section III focusses on computer-assisted legal research using Lexis Advance, Westlaw, and the Internet Section IV covers citation form and how to ensure that these sources are still " good law " Section V provides an overview of the legal research process Section VI covers legal writing Pedagogy designed to enhance the accessibility of the material, including helpful charts and diagrams that synthesize complex topics, updated Practice Tips offering realistic and helpful suggestions for workplace success, and Ethics Alerts in every chapter. Targeted and ample exercises help students learn how to use a wide range of research sources. Tips on how to effectively use electronic resources are included throughout the text. Conscientious revision ensures that the book has the most up-to-date material, presented in a readable and accessible format.

Written primarily for the international lawyer studying law in the United States, this text introduces students to legal analysis and communications used in U.S. legal practice. The book begins with overview of the U.S. government and court system, the U.S. common law system and the civil litigation process, laying a foundation for understanding the rest of the course. Through clear explanatory text and numerous exercises, The Guide to U.S. Legal Analysis and Communication provides instruction on the types of written and oral communications that international lawyers are most likely to engage in with U.S. lawyers. Topics covered are: drafting an objective legal analysis; writing persuasively and drafting court documents; expository writings, such as client letters, demand letters, and e-mail communications; conducting an oral argument to a court; and properly citing to legal authorities. Key New Features New chapters on persuasive writing, other elements of the office memorandum and writing a brief New chapter on conducting an oral argument Elimination of chapters on contract drafting to make room for new materials requested by adopters while keeping the length of the book manageable

Trust the best-selling Official Cert Guide series from Cisco Press to help you learn, prepare, and practice for exam success. They are built with the objective of providing assessment, review, and practice to help ensure you are fully prepared for your certification exam. * Master Cisco CCNP/CCIE ENCOR exam topics * Assess your knowledge with chapter-opening quizzes * Review key concepts with exam preparation tasks This is the eBook edition of the CCNP and CCIE Enterprise Core ENCOR 350-401 Official Cert Guide.
