The second in the series organized around common FAQs, 40 Questions about Interpreting the Bible tackles the major questions that students, pastors and professors ask about the hermeneutics of reading the bible (i.e. understanding the bible).

A vital Bible resource used in classrooms and churches worldwide now revised and updated. 40 Questions about Interpreting the Bible, now in a revised second edition, probes the most pressing problems encountered by churchgoers and beginning Bible students when they try to read and understand the Bible. Using feedback received from pastors, professors, and Bible teachers, New Testament professor Robert L. Plummer includes updated information about Bible translations, biblical interpretation, and Bible study technology and streamlines previous portions to make room for a handful of new issues. This second edition, updated regarding Bible translations, biblical interpretation trends, and Bible-related technology, will continue to serve professors, pastors, and Bible study leaders as a go-to guide or textbook. New Testament scholar Robert L. Plummer covers historical, interpretive, practical, and theological matters such as: Were the ancient manuscripts of the Bible transmitted accurately? Why can't people agree on what the Bible means? How do we interpret the Psalms? How can I use the Bible in daily devotions? Does the Bible teach that God wants Christians to be healthy and wealthy? 40 Questions about Interpreting the Bible provides crucial assistance for students ready to engage with biblical scholarship and for teachers eager to lead Bible studies with confidence.

In this accessible guide to interpreting the Bible, senior New Testament scholar Robert Stein helps readers identify various biblical genres, understand the meaning of biblical texts, and apply that meaning to contemporary life. This edition has been completely revised throughout to reflect Stein's current thinking and changes to the discipline over the past decade. Students of the Bible will find the book effective in group settings. Praise for the first edition "Stein's work is both a fine introduction to the task of biblical hermeneutics for the novice and an innovative refresher for the veteran teacher or pastor."--Faith & Mission

Biblical Hermeneutics is a textbook for introductory courses in hermeneutics. It takes an interdisciplinary approach that is both balanced and practical with six major foci: the history of biblical interpretation, philosophical presuppositions, biblical genre, the uniqueness of Scripture, the practice of exegesis, and use of exegetical insights that will be lived and communicated in preaching and teaching. Biblical Hermeneutics is designed for students who have little or no knowledge of biblical interpretation. It provides, in one volume, resources for gaining a working knowledge of the multi-faceted nature of biblical interpretation and for supporting the practice of exegesis on the part of the student. The first chapter "A Student's Primer for Exegesis" by Bruce Corley gives the student a bird's eye view of the entire process. It becomes for the student a kind of template to which they will return again and again as they engage in the process of exegesis. This revised edition of Biblical Hermeneutics contains seven new chapters that deal with the major literary genre of Scripture: law, narrative, poetry, wisdom, prophecy, Gospels and Acts, epistles, and apocalyptic. The unique nature of Scripture is presented in part three that addresses the authority, inspiration, and language of Scripture. The book contains two extensive appendices, "A Student's Glossary for Biblical Studies" and an updated and expanded version of "A Student's Guide to Reference Books and Biblical Commentaries.

In this latest addition to the Handbooks for Old Testament Exegesis series, Peter T. Vogt continues the tradition of excellence established by previous volumes. Divided into three parts, *Interpreting the Pentateuch* first provides an overview of the major themes of the Pentateuch. In the second part, Vogt offers resources and strategies for interpreting and understanding the first five books of the Bible by exploring its genres-law and narrative. Finally, Vogt shows that, although the Pentateuch is a collection of ancient texts, it still has contemporary significance. Vogt also includes two samples-one from law and one from narrative-of exegesis, giving students a start-to-finish example of the techniques he has illustrated for effective exegesis.

With the explosive increase in availability of English Bible translations, the question can easily be asked, "Why bother with the hard work of biblical exegesis?" Computers can translate foreign languages and our English texts can take us very close to the original meanings, so why exegete? Answer: because the deepest truths of the Bible are found through the deepest study. This book teaches the principles, methods, and fundamentals of exegeting the New Testament. It also has examples of textual exegesis that clearly and helpfully show the value of exegeting a text well. Any serious student of Scripture would benefit from utilizing this book in the study of the Bible.

For all those who fear that the Bible is a mysterious labyrinth through which they cannot find their way, Doriani provides wonderful guidance. Written with craft and wit, this highly readable book combines great biblical insight with marvelous practical wisdom.

How do students' racial identities work with and against teachers' pedagogies to shape their understandings of history and contemporary society? Based on a long-term ethnographic study, *Interpreting National History* examines the startling differences in black and white students' interpretations of U.S. history in classroom and community settings. Interviews with children and teens compare and contrast the historical interpretations students bring with them to the classroom with those they leave with after a year of teacher's instruction. Firmly grounded in history and social studies education theory and practice, this powerful book: Illuminates how textbooks, pedagogies, and contemporary learning standards are often disconnected from students' cultural identities Explores how students and parents interpret history and society in home and community settings Successfully analyzes examples of the challenges and possibilities facing teachers of history and social studies Provides alternative approaches for those who want to examine their own views toward teaching national history and aspire to engage in more culturally responsive pedagogy.

The Model Rules of Professional Conduct provides an up-to-date resource for information on legal ethics. Federal, state and local courts in all jurisdictions look to the Rules for guidance in solving lawyer malpractice cases, disciplinary actions, disqualification issues, sanctions questions and much more. In this volume, black-letter Rules of Professional Conduct are followed by numbered Comments that explain each Rule's purpose and provide suggestions for its practical application. The Rules will help you identify proper conduct in a variety of given situations, review those instances where discretionary action is possible, and define the nature of the relationship between you and your clients, colleagues and the courts.

For every person who draws strength and direction from the Bible, there are many more who struggle with it. Some call it a long book with fine print and obscure meaning. Some call it a mystery, a chore to read, or an undecipherable puzzle. The good news is you can easily solve this problem. With over 300,000 sold, this revised and expanded edition of *Living by the Book* will remove the barriers that keep Scripture from transforming your life. In a simple, step-by-step fashion, the authors explain how to glean truth from Scripture. It is practical, readable, and applicable. By following its easy-to-apply principles, you'll soon find yourself drawing great nourishment from the Word—and enjoying the process! The *Living by the Book Workbook* is the perfect compliment to provide practical application of lessons.
