Bela, son of a Fallen Angel and a mortal woman, has lived for centuries. For one misstep in his youth, he was cursed and powers he had not yet learned to use were ripped away by a Guardian Angel. As a cursed half Demon, he is an outcast living outside of today's society, withdrawn to a safe oasis created for himself and others like him. After centuries, he finds his first human friend, his closed heart gradually opening to accept friendship and love in his life. When an old nemesis in new guise rises again to threaten today's way of life, the future of the world is on razor's edge. Characters never meant to be heroes are forced to suddenly embrace a new and terrifying role. Will there be enough time for Bela to come to terms with the past, to accept the changes, to embrace newfound abilities? Will it be enough to tip the scales in favor of the unsuspecting human world?

I asked him, |Are you the angel of death? You must be to keep showing up at these times. | He paused and said, |Let's just say you can think of me as an |'Evolution Angel. | Todd Michael was the medical director of a level-three trauma center when he had his own brush with death before being saved by the voice of an angel. In this collection of true stories from the emergency room, Dr. Michael relates his experiences with dying patients and angels that invariably attend this critical rite of passage. Eventually he began communicating with an angel who was sent to aid us in our human evolution. Evolution, as Dr. Michael describes it in The Evolution Angel, is a |quantum leap, a jump to a completely new and higher level of being. | What exactly is that higher level of being, and how do we achieve it? The Evolution Angel provides fascinating lessons, wisdom, and insight into turning our human journey into one where we can not only communicate with the spirit world but also access this otherworldly wisdom in our lives at any moment. Inspirational, poignant, and wise, The Evolution Angel is a guide for everyone who wants to learn about the purpose of our lives, how to live at the highest level, and what happens to the soul after we die.

It's been almost three years since we left Detective Jay Harper and high-priced escort Katherine Taylor on the esplanade of Lausanne Cathedral, bruised and battered from a biblical showdown with the Nephilim. Katherine has retreated to small-town life in the woods of Washington State with her son, Max, and a close protection detail of heavily-armed, elite members of the Swiss Guard. Harper is living in Paris, haunted by voices in his head and bone-tired after what turns out to be two and a half million years on Earth. Though Katherine and Harper have been prevented from remembering each other, baby Max has unwittingly stirred the interest of vengeful spirits, and only a worldwide (and cosmic) effort to save his life will bring Harper and Katherine together again. Meanwhile, from the shadows steps a defrocked priest named Astruc, whose face looks as if it has been clawed by some terrible beast and who hides his eyes behind blue lenses. He and his brilliant young ward, Goose, have discovered something unfathomable in the Catacombs under Paris, something that will confirm that |the time of the prophecy | is at hand. . . . Electrifying from its explosive first scene to its unexpected and shocking conclusion, Angel City reunites the unforgettable characters from The Watchers to reveal more of the earthly, and otherworldly, mysteries of the Angelus trilogy.

Demon Evolution- the second book in the young adult fantasy trilogy: The Evolution Trilogy...Spreading darkness...Guilty of treason for which the penalty is death, Taylor's angel boyfriend, Gabriel, has been captured.The fate of the world sits on a knife's edge, with Taylor being the key to everything.Taylor's aura is growing stronger, but will it be enough to save Gabriel and defeat the Archangel Council.

Countless perils menaced the early settlers of the Wild West - and not the least of them was the lack of medical care. Dr. Dane Logan, a former street waif who has been adopted by a doctor's family in Cheyenne, puts his lifelong dream to work filling this need. His renown as a surgeon spreads throughout the frontier, even while his love grows for the beautiful Tharyn, an orphan he lost contact with when he left New York City as a child. Will happiness in love ever come to Dane - or will the roving Tag Moran gang bring his hopes to a dark end? Showdown in Cheyenne 1880. The frontier is uneasy. Tag Moran and his vicious gang are roving the West, robbing banks and stagecoaches. Dr. Dane Logan, a former street waif adopted by a doctor's family in Cheyenne, is gaining renown for his delicate surgical skill. Dane's situation becomes precarious when an unfortunate death turns Tag into his bitter enemy. If outlaws come between the tall young surgeon and his childhood love, who'll be left to see another sunrise? Story Behind the Book Always planning ahead for what we will write for Multnomah Publishers, Joanna and I decided to follow the ORPHAN TRAIN trilogy with one about a medical doctor in the Old West, so we came up with the idea of a trilogy called FRONTIER DOCTOR. We introduced a teenage boy in the final ORPHAN TRAIN book who has a burning desire to one day become a physician and surgeon. This first book in this trilogy keys in on this young prospective doctor. Seeing history through this young doctor's eyes will deeply touch your heart and make these books impossible to set down. We also think you'll find this new trilogy filled with our faith|gained from so many years of serving the Lord and trusting His written Word.

There is Russian folklore of a sacred stone known as The Angel of the Tsar. Worn for centuries by Russia's nobility, it was considered lost forever after the murder of the Romanovs - until April 1998 when Canadian journalist Angelique Laird receives a mysterious special delivery package containing an antique Russian diary and a pendant encasing a luminous gemstone. Angelique has no time to investigate as she must rush off to an assignment in France, unaware that it will bring her together again with the man who was once the great love of her life.This reunion and possession of the gemstone catapults Angelique into a tapestry of Royal intrigue which unveils her connection to the Romanovs - and her destiny. The decisions Angelique must now face will not only seal the fate of her beloved but that of the entire world. An inspirational novel of hope and healing, Angel of the Tsar weaves a tapestry of messages for humanity...if we are willing to learn from our past. This book is at once Empowering, Inspiring and Enlightening. A mystery within a myth inside of a love story, Angel of the Tsar speaks to the feminine spirit within us all. Elegantly written and impossible to put down.
