Reviving this book and making it available again to the public at large is a true gift. If you are a trader or considering venturing into this exciting field, then this book really needs to be on your bookshelf and I promise you . . . if you read it once, it won t sit on the shelf collecting dust "~~

~~If you have ever wanted to learn how to trade y the stars, but did not know where to start, this book is for you. Pesavento begins at the very beginning by teaching the basics of astrology. He includes the basic definitions and explanations of the planetary movements. Included in the topics covered are explanations of the Zodiac and its relationship to the signs and houses, eclipses, equinoxes and solstices as well as Lunar phenomena. After thoroughly educating the reader in these principles, this book teaches the application of these planetary cycles to financial markets with copious charted illustrations. Covers entry, timing and danger signals. Learn about \* use of astrocycles in your trading \* history of astro-economics \* astro-cycle harmonics for gold, bonds, stocks, lunar cycles, and \* key turning points pinpointed 2 years in advance.~~

~~Larry Pesavento takes his study in the art of astro-finance, as taught in Astro-Cycles to the next logical level by the introduction of the Gartley "222" Entry Technique, "Moon Void of Course", and "The Nature of the Market". He includes a wealth of charted examples that provide "absolutely phenomenal" trend change dates with an explanation of the planetary and lunar, movements that precipitated these events. Other topics included are: Planetary Declinations and Retrogrades, hidden Fibonacci relationships, intertwined with lessons in attitude, money management, and discipline. Applies George Bayer's principles to financial markets; proves the validity of planetary harmonics; shows results from thousands of hours of computer research by the author. Deals with human aspects of discipline, flexibility, and intuition.~~

~~How would you like to have had a heads-up on the 2010 U.S. Gulf oil spill or the 2008 real-estate collapse, and how it would affect your trading? Wouldn't it be helpful to know which industry sectors are going to catapult and make money this year? For centuries, the methods presented in this DVD have been used to plan and forecast and now, coupled with modern methods, you can produce tangible, actionable and potentially profitable results. In this new 90-minute DVD course, Grace Morris reveals her Astro Economics Method, which combines fundamental, technical, and planetary analysis to view the market as a cycle. Morris explores the relationship between astrology and the market, and how the two mix to create powerful moves. You will discover how to buy and sell using planetary movement, Zodiac, and element signs to set yourself up for the biggest payout. By knowing the cycles that affect the world-including the financial markets- you will be ahead of the pack. Using the Astro Economics Method, you will be able to: \* Identify the best and worst sectors and industries early for the best trades, \* Trade the leading stocks in each of those sectors for maximum profit, \* Time your buys for the optimal moment during the astrological cycle, \* Adapt your buying and selling strategies as the market shifts, \* Protect your profits and reduce losses, \* And much more. It is the combination of these different elements and concepts that will enable you to increase your profits in extraordinary situations! Don't miss out on profiting from the planets!~~

~~Trading the financial markets is extremely difficult, but with the right approach, traders can achieve success. Nobody knows this better than authors Larry Pesavento and Leslie Jouffas, both traders and educators of traders, who have consistently used pattern recognition to capture profits from the markets. In Trade What You See, Pesavento and Jouffas show traders how to identify patterns as they are developing and exactly where to place entry and exit orders. While some patterns derive from the techniques of Wall Street's earliest traders and other patterns reflect Pesavento's emphasis on the geometry of market movements and Fibonacci numbers.. Filled with hard-won knowledge gained through years of market experience, Trade What You Seeoutlines both a practical and sophisticated approach to trading that will be of interest to both novice and seasoned traders alike. Larry Pesavento is a forty-year veteran trader. He operates a Web site,~~
