¡Buen viaje! is a comprehensive three-level program that encourages meaningful, practical communication by immersing your students in the language and culture of the Spanish-speaking world. The transition from Level 1 to Level 2 is guaranteed to be smooth! The pedagogy remains consistent and there are seven review sections in addition to the two repeated chapters from Level 1. Topics include traveling by train, plane, and car; eating in a restaurant; using technology; shopping for clothing; hobbies; staying at a hotel; medical emergencies; city and country life; Hispanic foods; celebrations; and professions.

¡Buen viaje! is a comprehensive three-level program that encourages meaningful, practical communication by immersing your students in the language and culture of the Spanish-speaking world. The text and its integrated technology resources help you meet the needs of every student in your diverse classroom.

Workbook and Audio Activities provides written practice and guides the students through the activities on the Audio CDs

Este poemario del nativo-norteamericano Simon Ortiz, se apoya en un cruce muy especial de idiomas e interpretaciones del universo: el del Nuevo México multicultural en el que viven el autor y su pueblo ácoma. Ortiz escribe en un inglés que, como confiesa él mismo, es peligroso para él y los suyos porque está dominado por las formas de leer el mundo impuestas por Europa en América. En esa lengua, describe una visión de la realidad en la que los seres humanos y el planeta son parientes y todo está relacionado con todo. Su poesía, que siempre es política porque forma parte de una lucha por la supervivencia de toda una cultura, no hay fronteras de ningún tipo. Como en el mundo que Ortiz contempla a su alrededor, la belleza de su arte rechaza en todos los niveles, desde el lingüístico hasta el gráfico, las jerarquías de la civilización estadounidense contemporánea.

Transports students beyond the classroom on an exciting journey through the diverse Spanish-speaking world. The perfect blend of culture, instruction and interaction enables and motivates students to succeed. Units are built around countries and cities. Relevant instruction is based on multi-tiered differentiation in presentation, practice, and assessments.
