Cedar Point's Math and Science Week Ready for Launch!

"Physics, Math & Science" Week at Cedar Point Posted on June 17, 2016 by youth technology academy This is the third year that the YTA partnered with Cedar Point Amusement Park and the National Science Foundation ITEST (Innovative Technology Experiences for Students and Teachers) project to participate in the " Physics, Math and Science Week " at Cedar Point in Sandusky, OH.

"Physics, Math & Science" Week at Cedar Point – youth ...

With Math & Science Week at Cedar Point being the next 5 days, I'm going to avoid the park because I've made the mistake of going there the last two years during it, and it's been as terrible as a weekend. I've always heard that weekdays in May are the best time to go to Cedar Point to try to get walk-ons. This is certainly an impossibility during Math & Science week and so the only other time this month that seems to be good is the week after M&S Week.

Cedar Point Math & Science Week - CoasterBuzz

Cedar Point becomes the world's biggest classroom with special demonstrations and hands-on exhibits from our education partners. Students will experience the laws of physics in motion and discover how the math and science lessons they've learned add to the thrills of an amusement park.

Education Days | Cedar Point

during an interactive learning experience such as Cedar Point Science and Math Week. An answer will be available, and may include ideas for expanding on some of the problems. We also plan to have some content available online. Just like the park itself, we've tried to provide something for everyone. We hope
