Created through a "student-tested, faculty-approved" review process with input from students and faculty, MGMT6 is an engaging and accessible solution to accommodate the diverse lifestyles of today's learners at a value-based price. This innovative approach unites today's latest management research with author Chuck Williams's unique storytelling approach in a visually rich, yet professional, design that reads like a business periodical. MGMT6 provides a streamlined, concepts-driven format with optional exercises, new cases, and new practical applications that you can choose to use depending on your students' needs. The complete suite of fresh learning aids includes downloadable flashcards, videos, MP3 review podcasts, and quick quizzes that allow students to study wherever they are and whenever they have time. In addition, Aplia's premium student engagement tool for management will help your students "think like managers". This tool allows you to easily manage the subtle dynamics of teaching Principles of Management, with problem sets that guide students through a combination of lower and higher order thinking skills exercises, video cases, interactive charts/graphs, self assessments, and vivid examples. Holding students accountable for their own engagement becomes easy with Aplia's assessment analytics that track student participation, progress, and performance. Also available with MGMT6 is Cengage Learning's Write Experience, helping students write effectively without adding to your workload! Designed to reach today's students, MGMT6 says it all in four letters, reflecting how this unique solution speaks in the language of today's learner.

4LTR Press solutions give students the option to choose the format that best suits their learning preferences. This option is perfect for those students who focus on the textbook as their main course resource. Important Notice: Media content referenced within the product description or the product text may not be available in the ebook version.

Make today's management theories and applications meaningful, memorable, and engaging for your students with MANAGEMENT. Master storyteller, award-winning educator, and accomplished author Chuck Williams uses a captivating narrative style to illuminate today's most important management concepts and to highlight practices that really work in today's workplace. Because students retain and better understand information that is personally relevant, Dr. Williams weaves more than 50 detailed, unforgettable examples and stories into each chapter in this edition. Proven learning features and self-assessments keep concepts intriguing and applicable to students' daily lives. In addition, fresh scenarios, new cases, and new video cases reflect the latest management innovations at work in well-known organizations throughout the world. The book's comprehensive support package further helps you prepare each student for managerial success. Important Notice: Media content referenced within the product description or the product text may not be available in the ebook version.
