Selby has compared it to *Clothes, Music, Boys*, the 2014 memoir by The Slits' Viv Albertine. "I believe it's an objective truth that the best books from the alternative music scene over ...

The guitarist for seminal female punk band The Slits traces the story of her influential career, recounting experiences from her creative endeavors with Sid Vicious and her tour with The Clash through her relationship with Mick Jones and the 2012 release of her solo debut.

SHORTLISTED FOR THE COSTA BOOK OF THE YEAR AWARDS 2018 What was I fighting for? Even now I'm not sure. Something so old and so deep, it has no words, no shape, no logic. Every memoir is a battle between reality and invention - but in her follow up to *Clothes, Music, Boys*, Viv Albertine has reinvented the genre with her unflinching honesty. *To Throw Away Unopened* is a fearless dissection of one woman's obsession with the truth - the truth about family, power, and her identity as a rebel and outsider. It is a gaping wound of a book, both an exercise in blood-letting and psychological archaeology, excavating what lies beneath: the fear, the loneliness, the anger. It is a brutal expose of human dysfunctionality, the impossibility of true intimacy, and the damage wrought upon us by secrets and revelations, siblings and parents. Yet it is also a testament to how we can rebuild ourselves and come to face the world again. It is a portrait of the love stories that constitute a life, often bringing as much pain as joy. With the inimitable blend of humour, vulnerability, and intelligence that makes Viv Albertine one of our finest authors working today, *To Throw Away Unopened* smashes through layers of propriety and leads us into a new place of savage self-discovery.

Wild, defiant and startlingly inventive, The Slits were ahead of their time. Although they created some unique hybrids - dub reggae and pop-punk, African rhythms, funk and free jazz - they were dismissed as being unable to play. Their lyrics were witty and perceptive while their influential first album challenged perceptions of punk and of girl bands... but they were still misunderstood. And that infamous debut album cover, with the band appearing topless and mud-daubed, prompted further misreadings of the first ladies of punk. Author Zoë Street Howe speaks to The Slits themselves, to former manager Don Letts, mentor and PIL guitarist Phil Levene and many other friends and colleagues to discover exactly how The Slits phenomenon came about and to celebrate the legacy of a seminal band long overdue its rightful acclaim. Too long seen as a note in the margin of the history of rock, The Slits at last get a fair hearing in this revealing biography.

"One of the 25 Greatest Rock Memoirs of All Time" --Rolling Stone Magazine (#8)
"Sensitive and emotionally raw... it's also wildly funny" --The New York Times Book

Review A powerfully original memoir of pregnancy and mental illness by the legendary founder of the seminal rock band Throwing Muses, 'a magnificently charged union of Sylvia Plath and Patti Smith' - The Guardian Kristin Hersh was a preternaturally bright teenager, starting college at fifteen and with her band, Throwing Muses, playing rock clubs she was too young to frequent. By the age of seventeen she was living in her car, unable to sleep for the torment of strange songs swimming around her head - the songs for which she is now known. But just as her band was taking off, Hersh was misdiagnosed with schizophrenia. *Rat Girl* chronicles the unraveling of a young woman's personality, culminating in a suicide attempt; and then her arduous yet inspiring recovery, her unplanned pregnancy at the age of 19, and the birth of her first son. Playful, vivid, and wonderfully warm, this is a visceral and brave memoir by a truly original performer, told in a truly original voice.

“ Fellow rock stars, casual members of the public, lords and media magnates, countless thousands of people will talk of their encounters with this driven, talented, indomitable creature, a man who has plumbed the depths of depravity, yet emerged with an indisputable nobility. Each of them will share an admiration and appreciation of the contradictions and ironies of his incredible life. Even so, they are unlikely to fully comprehend both the heights and the depths of his experience, for the extremes are simply beyond the realms of most people ’ s understanding. ” —from the Prologue The first full biography of one of rock ’ n ’ roll ’ s greatest pioneers and legendary wild men Born James Newell Osterberg Jr., Iggy Pop transcended life in Ypsilanti, Michigan, to become a member of the punk band the Stooges, thereby earning the nickname “ the Godfather of Punk. ” He is one of the most riveting and reckless performers in music history, with a commitment to his art that is perilously total. But his personal life was often a shambles, as he struggled with drug addiction, mental illness, and the ever-problematic question of commercial success in the music world. That he is even alive today, let alone performing with undiminished energy, is a wonder. The musical genres of punk, glam, and New Wave were all anticipated and profoundly influenced by his work. Paul Trynka, former editor of *Mojo* magazine, has spent much time with Iggy ’ s childhood friends, lovers, and fellow musicians, gaining a profound understanding of the particular artistic culture of Ann Arbor, where Iggy and the Stooges were formed in the mid to late sixties. Trynka has conducted over 250 interviews, has traveled to Michigan, New York, California, London, and Berlin, and, in the course of the last decade or so at *Mojo*, has spoken to dozens of musicians who count Iggy as an influence. This has allowed him to depict, via real-life stories from members of bands like New Order and the Red Hot Chili Peppers, Iggy ’ s huge influence on the music scene of the ’ 70s, ’ 80s, and ’ 90s, as well as to portray in unprecedented detail Iggy ’ s relationship with his enigmatic friend and mentor David Bowie. Trynka has also interviewed Iggy Pop himself at his home in Miami for this book. What emerges is a fascinating psychological study of a Jekyll/Hyde personality: the quietly charismatic, thoughtful, well-read Jim Osterberg hitched to the banshee creation and alter ego that is Iggy Pop. *Iggy Pop: Open Up and Bleed* is a truly definitive work—not just about Iggy Pop ’ s life and music but also about the death of the hippie dream, the influence of drugs on human creativity, the nature of comradeship, and the depredations of fame.

From the guitarist of the pioneering band Sleater-Kinney, the book Kim Gordon says "everyone has been waiting for" and a *New York Times* Notable Book of 2015-- a candid, funny, and deeply personal look at making a life--and finding yourself--in music. Before Carrie Brownstein became a music icon, she was a young girl growing up in the Pacific Northwest just as it was becoming the setting for one the most important movements in rock history. Seeking a sense of home and identity, she would discover both while moving

from spectator to creator in experiencing the power and mystery of a live performance. With Sleater-Kinney, Brownstein and her bandmates rose to prominence in the burgeoning underground feminist punk-rock movement that would define music and pop culture in the 1990s. They would be cited as “ America ’ s best rock band ” by legendary music critic Greil Marcus for their defiant, exuberant brand of punk that resisted labels and limitations, and redefined notions of gender in rock. HUNGER MAKES ME A MODERN GIRL is an intimate and revealing narrative of her escape from a turbulent family life into a world where music was the means toward self-invention, community, and rescue. Along the way, Brownstein chronicles the excitement and contradictions within the era ’ s flourishing and fiercely independent music subculture, including experiences that sowed the seeds for the observational satire of the popular television series Portlandia years later. With deft, lucid prose Brownstein proves herself as formidable on the page as on the stage. Accessibly raw, honest and heartfelt, this book captures the experience of being a young woman, a born performer and an outsider, and ultimately finding one ’ s true calling through hard work, courage and the intoxicating power of rock and roll.

Oscar-nominated Charlotte Rampling most recently appeared in hit ITV drama Broadchurch, the BBC ’ s London Spy and HBO ’ s Dexter, and the feature film 45 Years. Her career has spanned popular entertainment and arthouse cinema, having starred in English, French and Italian films from 1966 ’ s Georgy Girl (opposite Lynn Redgrave), to films with French director François Ozon, including 2003 ’ s Swimming Pool. Having shied away from biographies and autobiographies (“ too personal ”) Rampling has now written Who I Am (first published in French) a lyrical, and intimate self-portrait via reminiscences. Highly personal, packed with photographs from her personal archive, Rampling recounts her childhood and youth as the daughter of an army officer (who won a gold medal for the 4 x 400 relay in the infamous 1936 Berlin Olympics), and the memories and passions that would inspire her life and later work as an actress. Written in a style that gives a unique insight into her screen persona, it is an idiosyncratic and beguiling insight of one of the most consistently adventurous and interesting actors.

A SUNDAY TIMES, TELEGRAPH, ROUGH TRADE, PITCHFORK AND UNCUT MUSIC BOOK OF THE YEAR SHORTLISTED FOR THE PENDERYN MUSIC BOOK PRIZE Art Sex Music is the autobiography of a musician who, as a founding member of the avant-garde group Throbbing Gristle and electronic pioneers Chris & Cosey, has consistently challenged the boundaries of music over the past four decades. It is the account of an artist who, as part of COUM Transmissions, represented Britain at the IXth Biennale de Paris, whose Prostitution show at the ICA in 1976 caused the Conservative MP Nicholas Fairbairn to declare her, COUM and Throbbing Gristle 'Wreckers of Civilisation' . . . shortly before he was arrested for indecent exposure, and whose work continues to be held at the vanguard of contemporary art. And it is the story of her work as a pornographic model and striptease artiste which challenged assumptions about morality, erotica and art. Art Sex Music is the wise, shocking and elegant autobiography of Cosey Fanni Tutti.

“ Ranks up there with the great rock & roll books of all time. ” —Time Out New York “ Lurid, insolent, disorderly, funny, sometimes gross, sometimes mean and occasionally touching . . . Resounds with authenticity. ” —The New York Times “ No volume serves juicier dish on punk ’ s New York birth . . . Tales of sex, drugs and music that will make you wish you ’ d been there. ” —Rolling Stone A contemporary classic, Please Kill Me is the definitive oral history of the most nihilistic of all pop movements. Iggy Pop, Richard Hell, the Ramones, and scores of other punk figures lend their voices to this decisive account of that explosive era.

This 20th anniversary edition features new photos and an afterword by the authors.

“ Utterly and shamelessly sensational. ” —Newsday

First published in 1987, New York Times bestseller, *I ' m With The Band* has been reprinted throughout the years, all over the world. This is the stylish, exuberant and sweetly innocent tale of one of the most famous groupies of the 1960s and 70s. Beginning with Pamela Des Barres ' early obsession with Elvis, her own Beatlemania madness, and her fierce determination to meet the musicians who rocked her world, *I ' m With The Band* illuminates the glory days of scintillating encounters with musical gods including Jim Morrison, Jimi Hendrix, Mick Jagger and Keith Moon. A girl just wanting to have fun, Des Barres immersed herself in the drugs, danger and ecstasy of the freewheeling 1960s. As a member of The GTOs (Girls Together Outrageously), an all-female group masterminded by Frank Zappa, Des Barres was in the thick of the most revolutionary renaissance in the history of modern popular music. She travelled with Led Zeppelin; lived in sin with Don Johnson; turned down a date with Elvis Presley; and was close friends with Robert Plant, Gram Parsons and Ray Davies. She had affairs with Mick Jagger, Jimmy Page, Keith Moon, Waylon Jennings, Chris Hillman, Noel Redding, and Jim Morrison, among others. A woman in possession of her own destiny, Des Barres blazed a trail for women ' s life-writing, standing up for female voices and experience everywhere. From original diaries, told with great warmth, chutzpah and joie de vivre, this is a frank memoir that wears its heart on its sleeve, and recalls one of rock ' n ' roll ' s most thrilling eras. This edition contains new material from the author, including her response to the vitriolic shaming of groupies, and a foreword by Roisin O ' Connor, rock journalist and music correspondent for the Independent.
