An iceberg that broke off the tip of Antarctica nearly three years ago could be on a collision course with the tip of South America and devastate a colony of penguins living there, scientists said.

Massive iceberg on collision course with island where—

On the night of April 14, 1912, the RMS Titanic, on her maiden voyage from Southampton to New York, collides with an iceberg in the middle of the North Atlantic and sinks within a few hours, drowning 1,500 of its 2,200 passengers.

Immovable object? Meet the irresistible force. Paramedic Aaron Chase doesn't have anything against love. It just comes with a lot of responsibility, like when he had to raise his sister and brothers after their drug-addicted mom took off for good. Now that the last one is off to college, Aaron's anticipating enjoying life on his own terms. He certainly wasn't expecting Joey Miller to accidentally drop into his life. Joey's sexy, funny and annoyingly optimistic, and his tendency to get into trouble keeps sending him Aaron's way. Even the fact that Joey works for the hated social work system isn't reason enough to keep him out of Aaron's bed. Joey knows all about love. He's fallen in it ten times-he thinks. It's not that he can't tell the difference between sex and love. All that experience has to count for something, right? With Aaron it's different. Maybe because there's something to fight for. This time Joey's fallen for good. He's not going to let number eleven get away. Warning: This love story may overheat readers or the devices used to read it. Explicit male/male sex scenes involving extra penetration, toys, and spanking.

I fell in love with my brother's best friend the first time I laid eyes on him. He walked through the door, flashing me a crooked smile with his blue eyes shining bright. I knew in that instant, he was the man of my dreams. As the years went on, my feelings grew stronger, waiting for the day he'd see me as more. "Devon Harris, when you turn eighteen, I hope to God you still feel this way." Bryce whispered sweetly, hugging me close. "I will." I vowed, knowing this was a promise I'd keep. Then the unthinkable happened. Bryce shattered my heart into a million pieces, leaving me devastated beyond repair. I took the only choice I had, leaving behind my dreams of him and any chance at a future together. Time and distance did little to heal my heartache, but I forced myself to move on. Right when my life starts to make sense, Bryce returns. I tell him it's too late, but he's determined to prove me wrong. Together, we're thrust into a world of undying passion, unrelenting devotion, and promises of a future worth fighting for. But life has a way of threatening even the most solid foundation and our bonds are tested. Can we really have it all? We find ourselves facing obstacles and decisions that change the course of our lives-forever. For the first time ever you can read the epic love story of Bryce and Devon in one edition.

Tiring of the company of junkies and burn-outs, Thomas Skelton goes home to Key West to take up a more wholesome life. But things fester in America's utter South. And Skelton's plans to become a skiff guide in the shining blue subtropical waters place him on a collision course with Nichol Dance, who has risen to the crest of the profession by dint of infallible instincts and a reputation for homicide. Out of their deadly rivalry, Thomas McGuane has constructed a novel with the impetus of a thriller and the heartbroken humor that is his distinct contribution to American prose. "Full of surprises and rewards and an exhilaration one feels only rarely." Newsweek on Ninety-Two in the Shade.

When Ray stole a motorbike from a pub car park, he could not have foreseen how this one crime would change his life.

A shocking discovery just turned a cold case red-hot.And for one detective, it strikes way too close to home... The discovery of skeletal remains in a Florida cavern sends cold case detective Eve Jareau on a collision course with her past. Concealing the truth from her boss, police chief Nash Bowden, becomes impossible when the spark between them reignites. And now a killer hell-bent on keeping decades-old family secrets hidden forever is lying in wait...to bury Eve and Nash alive. A Procedural Crime Story From Harlequin Intrigue: Seek thrills. Solve crimes. Justice served. Discover more action-packed stories in the A Procedural Crime Story series. All books are stand-alone with uplifting endings but were published in the following order: Book 1: Little Girl Gone Book 2: John Doe Cold Case

Follows a group of six kids stranded on a deserted island as they embark on a quest for survival that tests their limits.

The secret behind the betrayal and destruction of THE SHIELD is revealed here! Why did Seth Rollins join Triple H and turn on his brothers, Roman Reigns and Dean Ambrose? Collects #1-4 and WWE: Then. Now. Forever. #1.

Two hundred million kilometers across, with a surface area that exceeds that of a quarter-billion worlds, the Dyson sphere is one of the most astounding discoveries the Federation has ever made. Now the U.S.S. Enterprise™ has returned to explore the awesome mysteries of the sphere. Intrigued by what is possibly the greatest archaeological treasure of all time, Captain Jean-Luc Picard hopes to discover the origin of humanoid life throughout the galaxy -- or perhaps the ultimate secret of the Borg. But when a neutron star approaches on a collision course with the sphere, a mission of discovery becomes a desperate race against time. The many sentient species inhabiting the sphere face extinction -- can even the Starship Enterprise save them all?

THE NEW YORK TIMES, WALL STREET JOURNAL, LOS ANGELES TIMES, AND USA TODAY BESTSELLER "A band of brothers in an American tank . . . Makos drops the reader back into the Pershing's turret and dials up a battle scene to rival the peak moments of Fury." --The Wall Street Journal From the author of the international bestseller A Higher Call comes the riveting World War II story of an American tank gunner's journey into the heart of the Third Reich, where he will meet destiny in an iconic armor duel--and forge an enduring bond with his enemy. When Clarence Smoyer is assigned to the gunner's seat of his Sherman tank, his crewmates discover that the gentle giant from Pennsylvania has a hidden talent: He's a natural-born shooter. At first, Clarence and his fellow crew in the legendary 3rd Armored Division--"Spearhead"--thought their tanks were invincible. Then they met the German Panther, with a gun so murderous it could shoot through one Sherman tank and into the next. Soon a pattern emerged: The lead tank always gets hit. After Clarence sees his friends cut down breaching the West Wall and holding the line in the Battle of the Bulge, he and his crew are given a weapon with the power to avenge their fallen brothers: the Pershing, a state-of-the-art "super tank," one of twenty in the European theater. But with it comes a harrowing new responsibility: Now they will spearhead every attack. That's how Clarence, the corporal from coal country, finds himself leading the U.S. Army into its largest urban battle of the European war, the fight for Cologne, the "Fortress City" of Germany. Battling through the ruins, Clarence will engage the fearsome Panther in a duel immortalized by an army cameraman. And he will square off with Gustav Schaefer, a teenager behind the trigger in a Panzer IV tank, whose crew has been sent on a suicide mission to stop the Americans. As Clarence and Gustav trade fire down a long boulevard, they are taken by surprise by a tragic mistake of war. What happens next will haunt Clarence to the modern day, drawing him back to Cologne to do the unthinkable: to face his enemy, one last time. Praise for Spearhead "A detailed, gripping account . . . the remarkable story of two tank crewmen, from opposite sides of the conflict, who endure the grisly nature of tank warfare." --USA Today (four out of four stars) "Strong and dramatic . . . Makos established himself as a meticulous researcher who's equally adept at spinning a good old-fashioned yarn. . . . For a World War II aficionado, it will read like a dream." --Associated Press
