**The Contemplative Life book by Joel S. Goldsmith**

From – The Contemplative Life By Joel S. Goldsmith. Our students dare not forget for a single day that whatever transpires in their experience comes as an activity of their own consciousness, and therefore it is essential that there be a constant reminder of God as the one and only Power, the conviction that power is not in person or effect, but only in the invisible consciousness of the individual.

**From The Contemplative Life By Joel S. Goldsmith**

Joel S. Goldsmith was born in New York City on March 10, 1892. His parents were non-practicing Jews, who were married in New York City in 1891. Joel was their first child. They had another son two years later, followed by a daughter two years thereafter.

-- JOEL S. GOLDSMITH . JOEL S. GOLDSMITH (1892-1964), a monumental teacher of practical mysticism, devoted most of his life to the discovery and teaching of spiritual principles which he founded and called The Infinite Way. Joel Goldsmith was born in New York City on March 10, 1892.

**Biography of Joel S. Goldsmith - Founder of The Infinite Way**

Overview. The Contemplative Life is a guide for those who are seeking a way to be "in the world but not of it." In this book, Goldsmith explains how to bridge the gap between the compelling activities of daily living and the absolute silence of our inner Being, where we are one with God. He brings fresh insight to the practice of contemplation and meditation and explains how to make the mind an instrument for the free flowing of the Spirit.

Goldsmith, an internationally known spiritual leader presents this guidebook to attainment of inner peace and joy for those who are seeking a way to live a full and complete life here and now. How the mind can transcend its apparent limitations and become what it is intended to be, an instrument for the free flowing of the Spirit, is specifically explained by the author in his description of the resources available in meditation. \*\*Lightning Print On Demand Title

An unabridged edition, to include: Conscious Awareness - Erasing Our Concepts of God, Prayer, & Grace - Beginning the Contemplative Life - The Esoteric Meaning of the Easter Week - Steps on the Path of Illumination Contemplative Meditation - Contemplative Meditation - The Dice of God Are Loaded - Contemplation Develops the Beholder - Daily Preparation for Spiritual Living - Meditation on Life by Grace - Supply & Secrecy - The Spiritual Christmas

2010 Reprint of 1963 Edition. This is a guidebook to instruct those seeking inner peace and joy. Goldsmith instructs on how the mind can transcend its apparent limitations and become what it is intended to be, an instrument for the free flowing of the Spirit. This is a work for persons who are seeking a way to live the contemplative life in the midst of the world. Parenthetically, Goldsmith was one of Elvis' favorite authors.

2010 Reprint of 1962 edition. In this work Goldsmith develops the theme that God is the substance and essence of all forms, whether that form appears as man, animal, vegetable or mineral. Spirit underlies all effects, and the recognition of this truth shifts the emphasis from dependence on persons or things to a complete dependence on spirit. Because God is individual consciousness, your consciousness is infinite, and as you become more aware of the infinite nature of your consciousness, that consciousness begins to appear in infinite forms of good. Then you understand the great truth that nothing can be added to you, and nothing can be taken from you: you are eternally complete and whole because embodied within you is the substance of all life.

At the heart of this book lies the message that within each of us dwells a living and immediate presence, the spirit of God. Those readers who are new to Goldsmith's writings will find a deep exploration of universal principles that are the keys to ultimate freedom.

The 1971-1981 Series of Letter by Joel S. Goldsmith. Acropolis Books is proud to present a new eleven book series compiled from the 1971 -1981 monthly letters of Joel S. Goldsmith. The material in these books represent the monthly letters which were compiled from Joel's inexhaustible tape recorded lectures by his editor and which were sent out to students around the world. Each of these volumes develops the key themes and principles of the spiritual life. We consider these interrelated volumes to be a timely and dynamic addition to our library of Joel's books. In this important book, Joel Goldsmith describes how an experience of spiritual healing led him into a life of Grace. Beginning with the chapter "Peeling Off the Orion Skins," about dropping all concepts of God, the book presents all aspects of attaining the state of consciousness Goldsmith describes as the infinite way of life.

Anyone who wants to explore the work of Joel Goldsmith, one of the great spiritual lights of the twentieth century, will enjoy The Joel Goldsmith Reader. It includes selected chapters from nine of Goldsmith's illumined books: Realization of Oneness; Beyond Words and Thoughts; God, the Substance of All Form; Living Now; The Contemplative Life; Conscious Union with God; The Master Speaks; Man Was Not Born to Cry; and Consciousness Unfolding. The selections cover a wide range of topics from the nature of God and prayer, to the meaning of the Christ, to spiritual healing and spiritual practice. Readers who are new to the Infinite Way and find spiritual resonance with these selections will enjoy going on to explore the vast treasure of Goldsmith's work that is available for deeper study.

The celebrated guide to the awareness of the devine and transcendental in our daily lives. This modern spiritual classic is one of the three books. Goldsmith felt contained the essence of all his teachings.
