This book provides practical guidance for attorneys on all the stages of a criminal case from the police investigation immediately following the crime, to issues involving the double jeopardy clause. The book interprets constitutional principals, case law & commentary that apply to both the prosecution & defense in federal, state, or military courts. It includes analysis by Paul Marcus, the Haynes Professor of Law at the College of William & Mary Marshall-Wythe School of Law & practice comments by Jack Simmermann, a lawyer with 26 years of experience as a prosecutor, defense lawyer & triad judge. In addition to the commentary, the book incorporates helpful Checklists, Cautions, Warnings, Practice Tips, Techniques, Tactics, Forms & Strategies throughout the text, which are valuable to students & lawyers with little or no practical experience.

Criminal Procedure: Investigation and Right to Counsel is for courses on criminal procedure law that focus on the issues pertaining to the investigation of criminal activities. It is a spin-off of Comprehensive Criminal Procedure, by the same team of authors, which covers both the investigatory and adjudicatory aspects of criminal procedure law. The casebook focuses primarily on constitutional criminal procedure law, but also covers relevant statutes and court rules. The casebook is deliberately challenging it is designed for teachers who want to explore deeply not only the contemporary state of the law, but also its historical and theoretical foundations. The casebook incorporates a particular emphasis on empirical knowledge about the real-world impacts of law-in-action; the significance of race and class; the close relationship between criminal procedure law and substantive criminal law; the cold reality that hard choices sometimes must be made in a world of limited criminal justice resources; and, finally, the recognition that criminal procedure law always should strive to achieve both fairness to the accused and justice for society as a whole.

This book presents a short history and timeline of criminal procedure legislation in China. First, it addresses the status of Human Rights Conventions and the challenges resulting from human rights standards for Chinese criminal procedural law and practice. The discussion then moves on to explore the fundamentals of Chinese criminal procedure such as the applicable law found in the Chinese CPL (Criminal Procedure Law) and legal institutions. The book covers relevant actors in the Chinese Criminal Justice System (ie judges, prosecutors, police, defence councils) as well as the relationships between them. It also includes topics relating to the victims of crime and their role in criminal proceedings. Starting with pre-trial investigations (extending in particular to coercive measures and discretionary powers in the implementation of non-prosecution policies) the book continues as a guide through the basic principles of criminal trial, standards of evidence and rules related to conviction. Appeals and the issue of reopening criminal proceedings are also considered, with the book making particular reference to a number of special procedures (including juvenile delinquency) in the closing chapter.
