Daring to Draw Near will show how our prayers should be more God-centered than they probably are, and that they should be more focused on prayers for "our people" and our community. We are challenged to be honest in our prayers about who God really is and about who we are and what we think.

God uses many words to describe himself, but one is stunningly personal-Father. This is thrilling... and problematic. You don't have another Jesus, or another Holy Spirit, but you do have another father, and your experience with him changes the way you see God. Because of this, unknowingly, you may be "Father deficient" - lacking key resources God is offering, but you are still missing. With keen Biblical insight and inspiring stories Dave Patty shows you how to evaluate four key areas of your heart, and then unpacks the practical steps to deep transformation with Father resources from God. You will be amazed at the breadth of impact as you encounter this member of the Trinity in a new and deeply personal way.

Offers advice to those coping with illness or a disability, providing spiritual and practical suggestions for coping with such aspects of illness as physical pain, regrets, bitterness, and loneliness.

John White has extensively interviewed many people, including those from John Wimber's Vineyard Christian Fellowship. His years of work as a psychiatrist and as a missionary in the Third World qualify him in a special way to analyze the experiences described in this book. In addition he has thoroughly studied revivals of the past, highlighting the differences and the similarities to what is happening today. As always, John White remains thoroughly biblical as he handles many controversial topics. The result is a book full of practical wisdom and remarkable insight with conclusions that are fresh and surprising.

According to White, the cost of following Jesus is not cheap. The cost is substantial, but the benefits, rewards, and joys that come with a commitment to Him are well worth it.

In the spiritual life, we need a central idea: something so basic and comprehensive that it encompasses everything else. According to

Carmelite Father Wilfrid Stinissen, surrender to God, abandonment to the One who loves us completely, is that central reality. The life of Jesus shows us the centrality of abandonment, for it is truly the beginning and the end of his mission on earth. In this simple but profound book, Father Stinissen distinguishes three degrees or stages in abandonment. The first stage consists of accepting and assenting to God's will as it manifests itself in all circumstances of life. The second is actively doing God's will at every moment of one's life. In the third stage, abandonment to God is so complete that one has become a tool in God's hands. At this stage it is no longer I who do God's will, but God who accomplishes his will through me.

Selected from the best of John White's writings, this collection of 180 daily devotional readings offers insights on prayer, forgiveness, holiness, Christian commitment and the lordship of Christ. 180 pages, paper

New York Times bestseller How do you hold on to hope when you don't get the ending you asked for? When Katie Davis Majors moved to Uganda, accidentally founded a booming organization, and later became the mother of thirteen girls through the miracle of adoption, she determined to weave her life together with the people she desired to serve. But joy often gave way to sorrow as she invested her heart fully in walking alongside people in the grip of poverty, addiction, desperation, and disease. After unexpected tragedy shook her family, for the first time Katie began to wonder, Is God really good? Does He really love us? When she turned to Him with her questions, God spoke truth to her heart and drew her even deeper into relationship with Him. Daring to Hope is an invitation to cling to the God of the impossible—the God who whispers His love to us in the quiet, in the mundane, when our prayers are not answered the way we want or the miracle doesn't come. It's about a mother discovering the extraordinary strength it

takes to be ordinary. It's about choosing faith no matter the circumstance and about encountering God's goodness in the least expected places. Though your heartaches and dreams may take a different shape, you will find your own questions echoed in these pages. You'll be reminded of the gifts of joy in the midst of sorrow. And you'll hear God's whisper: Hold on to hope. I will meet you here.

"You're blessed when you've worked up a good appetite for God." Matthew 5:6 The Message We live in hungry times. Ours is a consumer culture, predisposed to quickly fill the cravings of body and mind. The idea of fasting--the voluntary denial of something for a specific time, for a spiritual purpose--sets us immediately on edge. But Lynne Baab makes the case that anyone can fast. Fasting is an expression of freedom. Free from the patterns and habits that mark everyday life, from time to time we can move beyond our appetites into meaningful encounter with God. In Fasting you'll discover an ancient Christian practice that extends beyond giving up food to any regular activity in our contemporary lives. You'll see how taking a break from eating--or driving, or checking e-mail, or watching television--opens us up to discover new things about ourselves and God and the world around us. You'll see that while not everyone should forgo food, anyone can step out of routine to feed the soul. In a time of great spiritual hunger, God invites us all to a feast: fellowship with the Creator of the universe, where all our truest needs are identified and attended to.
