Summary. This course has been designed specifically for dental care professionals working in a range of dental care contexts; it provides opportunities to critically examine dental care and practice from relevant ethical, legal and professional standpoints; it has a strongly applied focus, allowing students to explore how legal and ethical knowledge can be put to use in the dental context.

Study a postgraduate course in Dental Law and Ethics at ...

Much like the Hippocratic Oath, the code of Dental Ethics created by the American Dental Association (ADA) serves as a standard to which all dental professionals are expected to adhere. It states that each member of the dental profession is responsible for “maintaining and enriching” the dental profession.

Law and Ethics Examination - Dental Board of California

The CDA Code of Ethics, in general, pertains to 1) service to the public, 2) conduct in a dental office and between dental practitioners, and 3) how dental practices and services are promoted. By following the Code of Ethics, dentists build public trust and maintain high ethical standards for the benefit of all.
