Early Ohio Settlers. Purchasers of Land in East and East Central Ohio, 1800-1840 \$ 34.00

In 1785 lands of the Northwest Territory were offered for sale to the public. By 1800 four land offices were established and sales from the Zanesville office, which included tracts originally reserved for the Marietta and Steubenville offices and, more importantly, parts of the United States Military District, reserved for veterans of the Revolutionary War, form the basis of this volume. In addition, this volume also includes records from the Steubenville office for the period 1820-1840, the first twenty years of sales records having already been published.In tabular format this volume has a complete list of 22,770 persons who bought land in central and east central Ohio between 1800 and 1840. Data includes the name of the purchaser (in alphabetical order), date of purchase, place of residence at the time of purchase, and the range, township, and section of the purchased land, thus enabling the researcher to ascertain the exact location of the ancestor's land see also Items 480 and 481).

Purchasers of land in Southwestern Ohio, 1800-1840.

The #1 New York Times bestseller by Pulitzer Prize–winning historian David McCullough rediscovers an important chapter in the American story that ’ s “ as resonant today as ever ” (The Wall Street Journal)—the settling of the Northwest Territory by courageous pioneers who overcame incredible hardships to build a community based on ideals that would define our country. As part of the Treaty of Paris, in which Great Britain recognized the new United States of America, Britain ceded the land that comprised the immense Northwest Territory, a wilderness empire northwest of the Ohio River containing the future states of Ohio, Indiana, Illinois, Michigan, and Wisconsin. A Massachusetts minister named Manasseh Cutler was instrumental in opening this vast territory to veterans of the Revolutionary War and their families for settlement. Included in the Northwest Ordinance were three remarkable conditions: freedom of religion, free universal education, and most importantly, the prohibition of slavery. In 1788 the first band of pioneers set out from New England for the Northwest Territory under the leadership of Revolutionary War veteran General Rufus Putnam. They settled in what is now Marietta on the banks of the Ohio River. McCullough tells the story through five major characters: Cutler and Putnam; Cutler ’ s son Ephraim; and two other men, one a carpenter turned architect, and the other a physician who became a prominent pioneer in American science. “ With clarity and incisiveness, [McCullough] details the experience of a brave and broad-minded band of people who crossed raging rivers, chopped down forests, plowed miles of land, suffered incalculable hardships, and braved a lonely frontier to forge a new American ideal ” (The Providence Journal). Drawn in great part from a rare and all-but-unknown collection of diaries and letters by the key figures, The Pioneers is a uniquely American story of people whose ambition and courage led them to remarkable accomplishments. “ A tale of uplift ” (The New York Times Book Review), this is a quintessentially American story, written with David McCullough ’ s signature narrative energy.
