Backpacker brings the outdoors straight to the reader's doorstep, inspiring and enabling them to go more places and enjoy nature more often. The authority on active adventure, Backpacker is the world's first GPS-enabled magazine, and the only magazine whose editors personally test the hiking trails, camping gear, and survival tips they publish. Backpacker's Editors' Choice Awards, an industry honor recognizing design, feature and product innovation, has become the gold standard against which all other outdoor-industry awards are measured.

Still reeling from the death of his older brother, a sixteen-year-old track star befriends a street-fighting rebel and together they search for redemption amidst the social changes of 1968.

Twelve thousand years ago, heroes and antagonists were made. Civilizations were starting to flourish. Within their social structures there was love, honor, and friendship. On the other side of the spectrum, there was also greed, fear, and power. Within the last one hundred years, archeologists and paleontologists unearthed a new world. After the Ice age, archeologists discovered civilizations with architectural buildings and commerce. Paleontologists have proof of animals which were not like we are accustomed to today. They have uncovered giant sloths, mammoths, giant rhinos, and giant elk, all living amongst the civilizations before written history. So far, Atlantis is a legend. In those legends there had to be a leader and hero that brought Atlantis together. The story of Atlandreous unfolds as Duncan, a
