A practical, easy-to-use guide to transform business communications into memorable narratives that drive conversations—and your career—forward In Everyday Business Storytelling: Create, Simplify, and Adapt A Visual Narrative for Any Audience, visual storytelling experts Janine Kurnoff and Lee Lazarus leverage decades of experience helping executives at the world's top brands—including Facebook, Nestle, Accenture, and Marriott—bring clarity and meaning to their business communications. Whether you're building a presentation, crafting a high-stakes email, or need to influence decisions in your next meeting with an executive, Everyday Business Storytelling offers an insightful exploration of how to develop compelling business narratives. You'll discover how to use a simple, repeatable framework to choreograph your ideas, data, and insights into an authentic, persuasive story. You'll also find clever visual techniques to help humanize your stories and build an emotional connection with your audience. Just a few of the things you'll learn include: The science behind why storytelling is the most effective way to trigger emotion in an audience and how to craft a business narrative that makes your ideas engaging The four signposts of storytelling and how to identify and weave in your BIG idea to capture attention How to craft expert headlines that guide your audience and advance your story Everyday Business Storytelling is an indispensable guide to making your communications stick in the minds of your audience and drive change. If you're a busy, talented businessperson responsible for presentations, one-pagers, emails, or virtual meetings, this book is for you.

NEW EDITION!!Well... it seems that these animals don't want to take their medicine! But step by step, each one discovers that taking medicine is very important for the animals, as well as for the children!A funny way to learn and a funny way to teach. As everyone knows how difficult it can be to explain to young children how important it is to take medicine...---THE BOOK OF THE ANIMALS:FUN LEARNING FOR CHILDREN AND PARENTSwhat are certainly the most occurring moments in a parent's life? When their child doesn't want to wash, eat, sleep, go to school, share, take medicine, get vaccinated... And what can a parent answer to these refusals?The successful "Book of The Animals" bilingual children's books series was created with the aim to help both parents and children to discover the benefits of washing, eating, sleeping, going to school, sharing, taking medicine, getting vaccinated... in a fun as well as educational manner. Since the books are also bilingual, parents will enjoy the teaching and the interactivity they can gain from reading them with their children.THE AUDIENCEThe books are geared towards children aged 2-5, before elementary/primary school.They will likely be bilingual children whose parents want to encourage the learning of their two current languages.They will also be children whose parents want to teach a language at a young age.Some teachers have also been using the books of the series as a way to teach a second language to children, with themes easy for them to both understand and memorise.THE CURRENT BOOKSThere are currently seven books in the series.Each episode brings on new animals, new words, new situations and new stories.- Ep.1. "These Animals... Don't Want to Wash!" (2008)- Ep.2. "These Animals... Don't Want to Eat!" (2009)- Ep.3. "These Animals... Don't Want to Sleep!" (2010)- Ep.4. "These Animals... Don't Want to Go to School!" (2011)- Ep.5. "These Animals... Don't Want to Share!" (2011)- Ep.6. "These Animals... Don't Want to Take their Medicine!" (2012)- Ep.7. "These Animals... Don't Want to Get Vaccinated!" (2012)The books are all available in either bilingual or monolingual versions:- Bilingual versions: English-French, English-Portuguese, English-Italian, English-Spanish, English-Swedish, English-Creole, English-Japanese...More versions still to come!Check out the official website: www.TheBookOfTheAnimals.comREVIEW"The Book of the Animals is a planned series of illustrated books for young children. [...] These delightful books tell the story of what happens when the animals in the stories, like many young children, don't want to eat and don't want to wash...The books are very suitable both for reading to young children and for older children to use to learn to read in both languages. They might even persuade them to wash and eat their dinner!The repetitive structure is supportive of children learning new words and the illustrations work well alongside the text to help understanding of unfamiliar words.I can easily imagine young children demanding repeat readings and enjoying learning the text by heart as many children do with favourite stories. Children learning to make up and write their own stories might well want to write a personalised version, using the structure as a prop.I think the stories would work well both in the home and in the classroom."(Review published in The Cass School of Education, by Dr Raymonde Sneddon, Research Fellow for "The Cass School of Education" at the University of East London, and Honorary Research Fellow of Birkbeck College, in the Department of Applied Linguistics)SUPPORT'The Book of The Animals' series is supported & recommended by ABRIR UK, a Brazilian Association for Educational Projects in the United Kingdom. www.Abrir.org.ukOfficial website: TheBookOfTheAnimals.com

Do you want to speak and write English better at work? Meet Jasmine Goodman, personal assistant. She answers the phone, writes emails, manages her boss' schedule and looks after visitors to the company. If you have ever tried to learn another language, you know that learning it can be an extremely intimidating endeavor. Spanish Now! teaches you the essentials of learning conversation Spanish including:-Proper Grammar-Sentence Structure-Masculine and Feminine Conjugation-Essential Nouns, Verbs and Adjectives-Real Practice Examples! You may feel self-conscious about sounding wrong and not knowing it until someone else laughs or you are corrected. It takes time. You won't be a fluent speaker overnight, but Spanish Now! teaches you what you need to know to begin conversing in a few weeks or less! And Most people who are native speakers are actually happy to have the chance to talk in their native language, especially if you are a novice and indicate that you are trying to learn the language. When it comes to learning Spanish, you are already almost half way there because their language structure is extremely similar to English (with a couple of notable exceptions) and so many Spanish words and phrases have crept into everyday usage in the U.S. The biggest challenge with Spanish is vocabulary. Spanish Now! tackles vocabulary and takes you through the essentials you will need to have a solid Spanish-speaking foundation. Also, Since Spanish is one of the Romance languages, it's pronounced and sounds very different from English. Practicing out loud and watching supplemental videos is encouraged with this book to get the full understanding.Once you get the basics down you will find that having basic discussions is far less intimidating than it initially seems. Spanish Now! gives you the basic guidelines that will help you learn conversational Spanish to speak with anyone. Regardless of the nation a native Spanish speaker is from (ie. Mexico, Argentina, or Spain), you will be able to feel confident that you have the basics to converse in the Spanish language.Buy Spanish Now! and learn Spanish in a few weeks or less!

This book shows lots of everyday expressions used in the English language and is ideal for people at intermediate or advanced levels of English and is ideal for candidates preparing for TOEFL as some of the expressions contained in the book are found in the listening and reading sections of the TOEFL exam.

English for Business Life is written by experts in international business communication who understand how fast-moving changes are affecting the language and skills that people need to be effective in the workplace.The course presents the English essential for doing business in today's global marketplace. It takes account of international contexts, countries and cultures and a business environment where English is often used as the language of communication between speakers of many nationalities.

"I must congratulate you on GLOBISH THE WORLD OVER. It's a pioneering text of great importance, full of enthralling insights for native and non-native English users alike." -- Robert McCrum, author, The Story of English and Literary Editor, London Observer. Globish, as a concept, takes to task the world hegemony of arrogant English-speakers. Hence the landmark book Don't Speak English - Parlez Globish became a best-seller in French, and other languages, but it never appeared in English. GLOBISH THE WORLD OVER is the first book written in Globish-English. Non-native English speakers from non-Anglophone countries use English better between themselves than with any native English speaker. Globish codifies their very efficient "similar limitations." The word Globish may strike English-speakers as an "odd" way to rename their English. However billions of speakers in Brazil, Russia, India and China will be the new "owners" of what the world is now calling Globish. The implications are far-reaching. GLOBISH THE WORLD OVER discusses this phenomenon, and demonstrates that Globish - as a deliberate and sufficient subset of English for international communication - is limited more by a person's communication ability than by mere words.

*DICTIONARY OF BUSINESS AND COMPANY LAW - learn English vocabulary for international lawyers and business professionals *Over 150 LEGAL ENGLISH terms and phrases explained in plain English *WRITTEN by a UK qualified lawyer and legal English trainer This legal English dictionary is designed to improve and test lawyers business professionals legal English as practised around the world.
