In your death, Coronavirus has cast its funereal shadow on the pages of this book ... and has been in print for over 35 years. The new English edition will shortly be re-issued.

For 39-year-old Johnelle Morrissey, the American Dream is a successful career in medical technology, a stately home in historic Charleston, South Carolina, and happy times with the people she loves most—her husband Dwight, their teenage son Ian and her oldest friend Alice Choate. That dream shatters on an airport runway when her plane goes down, leaving her with only clouded memories of her former life. Devastated by the tragedy, Alice teams with the family to help Johnelle recover. For hours on end Alice shares memories of the moments that formed their friendship over the years, but she holds back one secret—that she ' s been in love with Johnelle for as long as she can remember. Johnelle struggles to reassemble her past—college life, her wedding day and the joys of raising her son. Once her physical injuries heal, her family expects life to go back to the way it was. But the love she must have once felt for Dwight remains deeply shadowed, eclipsed by yearning for a new life ... with Alice.

The fourth installment in the bestselling Cassie Quinn mystery series from Wall Street Journal bestselling author L.T. Ryan & K.M. Rought. A gripping thriller with a touch of the paranormal that will keep you guessing until the last page. When a friend's relative passes away, the family suspects foul play, but the evidence doesn't match the accusation. But in the Big Easy, nothing is as it seems, and Cassie soon discovers there's more to the story. Deciphering clues no one else can see becomes Cassie's sole focus. Cassie fights the tagging at her heartstrings and the raw emotions the case brings up to seek justice for the voice only she can hear. A must-read for fans of Ghost Whisperer and Medium, Gregg Olsen, Angela Marsons, Robert Dugoni, Melinda Leigh, Kendra Elliot and Mary Burton.

Set in the 1970s, this nostalgic coming-of-age story follows two friends through their many adventures, growing pains, joys, and losses. Will a man Eva trusted her entire life destroy her dreams for the future? Will Justine's need for revenge lead them into serious danger? Exactly how far would you go for your best friend?

After the Elders reclaimed many human towns, Lakeside Courtyard emerged relatively unscathed. Simon Wolfgang, its wolf shifter leader, and prophet Meg Corbyn must still work with the human pack to maintain the peace. But their efforts are threatened when Lieutenant Montgomery's shady brother arrives. With the humans on guard against one of their own, tensions rise, drawing the attention of the Elders. But Meg knows the dangers, for she has seen in the cards how it will all end - with her standing beside a grave...

A series of numbers was tattooed on prisoners ' forearms only at one location - the Auschwitz concentration camp complex. Children, parents, grandparents, mostly Jews but also a significant number of non-Jews scarred for life. Indelibly etched with a number into their flesh and souls, constantly reminding them of the horrors of the Holocaust. References to the Auschwitz number appear in artworks from the Holocaust period and onwards, by survivors and non-survivor artists, and Jewish and non-Jewish artists. These artists refer to the number from Auschwitz to portray the Holocaust and its meaning. This book analyzes the place that the image of the Auschwitz number occupies in the artist ' s consciousness and how it is grasped in the collective perception of different societies. It discusses how the Auschwitz number is used in public and private Holocaust commemoration. Additionally, the book describes the use of the Auschwitz number as a Holocaust icon to protest, warn, and fight against Holocaust denial.

A map of skin etched in blood.A world under threat from the Borderlands.A young woman who must risk the shadows to save her family. When her Grandfather is murdered under mysterious circumstances, Sienna Farren inherits his map shop in the ancient city of Bath, England. Once there, she discovers that her family is bound up with the Ministry of Maps, a mysterious agency who maintain the borders between this world and the Uncharted. With the help of Mila Wendell, a traveler on the canals, Sienna discovers her own magical ability and a terrifying place of blood that awaits in the world beyond. But when she discovers a truth about her past and the Borderlands begin to push through the defenses, Sienna must join the team of Mapwalkers on their mission to find the Map of Shadows - whatever the cost. In a place written out of history, a world off the edge of the map, Sienna must risk everything to find her father ... and her true path as a Mapwalker. The Mapwalker Fantasy Adventure trilogy: Map of Shadows #1 Map of Plagues #2 Map of the Impossible #3

Etched in Shadows is actress and poet Chelsea Bria Russell's personal narrative of the human condition explored through the eyes of characters Love, Loss, Strength, and Weakness. Often we find ourselves being ashamed of our emotions, burying them beneath the shadows of fear to mask our embarrassment. It is a confirmation, acknowledgment, and encouragement for anyone who has felt as if they had to stay within the confines of their shadows. It is a journey towards embracing the beauty of our shadow so that we may share it with the world.

" Combine equal parts of Stephen King ' s Dark Tower series and Chine Mi é ville ' s Perdido Street Station, throw in a dash of Aubrey BeardsleyandJ.K. Huysmans, and you ' ll get some idea of this disturbing, decadent first novel. " —Publishers Weekly Gwynn and Raule are rebels on the run, with little in common except being on the losing side of a hard-fought war. Gwynn is a gunslinger from the north, a loner, a survivor . . . a killer. Raule is a wandering surgeon, a healer who still believes in just—and lost—causes. Bound by a desire to escape the ghosts of the past, together they flee to the teeming city of Ashamoli, where Raule plies her trade among the desperate and destitute, and Gwynn becomes bodyguard and assassin for the household of a corrupt magnate. There, in the saving and taking of lives, they find themselves immersed in a world where art infects life, dream and waking fuse, and splendid and frightening miracles begin to bloom . . . " The plot, with its stories-within-stories and its offhand descriptions of wonders and prodigies, brings to mind the works of Italo Calvino and Jorge Luis Borges. " —Locus

New York Times bestselling author Anne Bishop weaves a dazzling tale of romance, high adventure, and thrilling fantasy in the second novel in the Tir Alainn Trilogy. ... Ever since the slaughter of the witches, the Fae—who should be shielding their long-lost cousins from danger—have ignored the needs of the rest of the world. And shadows are again gathering in the eastern villages—dark, potent shadows that threaten the lives of every witch, woman, and Fae. Only three Fae can stand against the growing madness and help prevent more bloodshed—the Bard, the Muse, and the Gatherer of Souls. Aiden, the Bard, knows how desperately the world depends upon the Fae ' s protection. But the Fae refuse to heed his warnings about the wickedness lurking amid the trees. Now Aiden and his one true love—Lyrra, the Muse—must embark on a perilous journey to find the one Fae who can convince the rest to leave their secure perches to save the witches and mortals. Because if the Fae don ' t act soon, no one will survive...
