European Comparative Company Law - IDEAS/RePEc

The driving forces of comparative company law can be traced back to the spread of the 1930s' U.S. securities regulation into European Union member states, Eastern European states, and also China; the harmonization efforts of the European Community since the late 1950s; and most recently, the international rise of the corporate governance and code movements in the 1990s that had some famous origins in the United Kingdom.

Big Fines and Strict Rules Unveiled Against ' Big Tech ' in ...

When comparing the laws of different jurisdictions, one often sees only the forest or the trees. This is particularly problematic in comparative company law, where students hope both to understand the overall framework of the law and grasp its practical application. This text's structure, now in its second edition, solves that dilemma.
