Block Foundations of Financial Management is a proven and successful text recognized for its excellent writing style and step-by-step explanations that make the content relevant and easy to understand. The text's approach focuses on the "nuts and bolts" of finance with clear and thorough treatment of concepts and applications. Block provides a strong review of accounting and early coverage of working capital (or short term) financial management before covering the Time Value of Money. Foundations of Financial Management is committed to making finance accessible to students. This text has stood the test of time due to the authors' commitment to quality revisions.

Motivate your students to study finance by focusing on its five underlying principles. Foundations of Finance enables students to see the big picture by helping them understand the logic that drives finance rather than having them memorize formulas. The seventh edition now includes Cautionary Tales, a reordered presentation, and integration with Pearson's revolutionary online software, MyFinanceLab.
