From the New York Times bestselling author of the Gabriel series comes a dark, sensual tale of romance in a city shrouded in mystery . . . Raven Wood spends her days at Florence’s Uffizi gallery restoring Renaissance art. But an innocent walk home after an evening with friends changes her life forever. When she intervenes in the senseless beating of a homeless man, his attackers turn on her, dragging her into an alley. Raven is only semiconscious when their assault is interrupted by a cacophony of growls followed by her attackers’ screams. Mercifully, she blacks out, but not before catching a glimpse of a shadowy figure who whispers to her . . . Cassita vulneratus. When Raven awakes, she is inexplicably changed. Upon returning to the Uffizi, no one recognizes her. More disturbingly, she discovers that she’s been absent an entire week. With no recollection of her disappearance, Raven learns that her absence coincides with one of the largest robberies in Uffizi history—the theft of a set of priceless Botticelli illustrations. When the police identify her as their prime suspect, Raven is desperate to clear her name. She seeks out one of Florence’s wealthiest and most elusive men in an attempt to uncover the truth. Their encounter leads Raven to a dark underworld whose inhabitants kill to keep their secrets . . .

Raven and her sister, Cara, are at the mercy of a small detachment of Florentine vampires, who are delivering them as a peace offering to the feared Curia in Rome. Though she’s unsure William survived the coup that toppled his principality, Raven is determined to protect her sister at all costs, even if it means challenging Borek, the commander of the detachment. In an effort to keep Raven from falling into the hands of his enemies, William puts himself at the mercy of the Roman, the dangerous and mysterious vampire king of Italy. But the Roman is not what he expects ... Alliances and enmities will shift and merge as William struggles to save the woman he loves and his principality, without plunging the vampire population into a world war. This stunning conclusion to the Florentine series will take readers across Italy and beyond as the lovers fight to remain together. Forever.

Whitley Johnson’s dream summer with her divorce dad has turned into a nightmare. She’s just met his new fiancee and her kids. The fiancee’s son? Whitley’s one-night stand from graduation night. Just freakin’ great. Worse, she totally doesn’t fit in with her dad’s perfect new country-club family. So Whitley acts out. She parties. Hard. So hard she doesn’t even notice the good things right under her nose: a sweet little future stepsister who is just about the only person she’s ever liked, a best friend (even though Whitley swears she doesn’t “do” friends), and a smoking-hot guy who isn’t her stepbrother...at least, not yet. It will take all three of them to help Whitley get through her anger and begin to put the pieces of her family together. Filled with authenticity and raw emotion, Whitley is Kody Keplinger’s most compelling character to date: a cynical Holden Caulfield-esque girl you will wholly care about.
