The Fifth Edition of Government Policy toward Business by leading economist James Brander (Sauder School of Business, University of British Columbia) continues to provide an insightful and systematic overview of the major public policies that affect business in Canada today.

Government Policy Towards Business: Brander, James A ...
A very concise and interesting look at government policy in Canada. It uses economic and legal theory to illuminate the system that government uses to implement policy decisions. I picked this up for a college class but ended up reading the whole book before classes even began.

Government Policy Towards Business by James A. Brander government policy toward business 5th edition is packed with valuable instructions, information and warnings.
