This unit is the first of four units on materials for Grade 2. The unit is designed to guide your planning and teaching of lessons on materials. It provides a link between the standards for science and your lesson plans. The teaching and learning activities should help you to plan the content and pace

Access PDF Grade 2 Materials 1 Unit 2m 1

of lessons. Adapt the ideas to meet the needs of your class. For extension activities, look at the scheme of work for Grade 2. You can also supplement the activities with
