Assisting employees in identifying ...

Green HRM: Definition, Advantages, Green HRM Practices

Sustainable or 'green' HRM promises to encourage greater acknowledgement and understanding of long-term issues relating to value creation and value capture. The sustainable HRM perspective looks to challenge the dominance of 'maximising shareholder value' strategies and business models and instead align with meeting the interests of many stakeholders over the long term.

Sustainable HR: a 'green'-led, or a realistic model for

The paper has its focus on seven aspects such as meaning of green, reasons for greening, meaning of green HRM, importance of green HRM, green human resource requirements, greening of HRM functions...

(PDF) Green Human Resource Management: A Review

As an emerging concept, green human resource management (green HRM) has been conceptualized to influence employee workplace green behavior. This research empirically tested this link. We first developed measures for green HRM, and then drew on the behavioral HRM and psychological climate literature along with the supplies\values fit theory, to test a conceptual model integrating the effects of psychological green climate and individual green values.

Effects of Green HRM Practices on Employee Workplace Green

COPY.
