It's been five years since Alexa set eyes on Giovanni de Verrazzano—five years since she walked out on their pretense of a marriage and took with her a precious secret. Since discovering that he is the son of a powerful desert ruler, Giovanni is determined that Alexa resume her role as his wife and accompany him to his desert kingdom. But how will this proud Italian, of Kharastani descent, react when he discovers he has a son?

'Janey is like a whirlwind of selflessness. A beautiful spirit in a beautiful country doing a beautiful thing. I encourage my children to be more 'Janey'. With more positive spirits like Janey, the world would be a better place.' - Ben Fogle In 2014 and in her mid-twenties, Janey Lowes had been a vet for just two years when she left her home in County Durham and went travelling. Visiting Sri Lanka, she was horrified to see the state of so many of the island's dogs, in particular the three million strays. Over 5,000 miles from home, Janey decided there and then that she was going to move to the island indefinitely and do everything within her power to help them. She raised £10,000 to get started, setting up a charity called WECare Worldwide, and began work. Frightened, determined and excited all at the same time, she found a local who was willing to work with her and began scouring the streets for dogs in need. Some she patched up as best she could at the roadside, others she brought back and treated in a make-shift surgery she had cobbled together in her new home. With very little equipment, she and her small team came up with new and ingenious ways to treat the animals. In this highly inspiring and heartfelt book full of challenges and adventure, Janey introduces us to her world and the tireless work she carries out. As she says, 'I feel as though all these dogs are my dogs and I have a responsibility to them.' In it, we meet many of the colourful characters who have come to offer help, along with innumerable street dogs who have suffered all sorts of trauma and injury, only to be scooped up by Janey and her team and saved.

Provides an overall introduction to the welding process, illustrating most of the common equipment and work techniques for both the home and shop welding.

The Sheikh's wife is back...in his bed! Sheikh Kahlil al-Assad hasn't forgiven Bryn for abandoning her wedding vows. Then he discovers that he's also missed out on the first years of his son's life. Kahlil decides to take revenge. Bryn didn't realize—they are still husband and wife! She knows she can't deny Ben the daddy he's been asking for. So she agrees to return to Kahlil's desert kingdom. There she finds herself consigned to the harem quarters, where she must prepare for being taken back...into the Sheikh's bed!

A thousand years before the Winter War, Elgo, prince of the Vanadurin, killed the Dragon Sleeth and returned home with the fabulous wealth from the dead beast 's lair. But there was more in the bounty than gems and gold, for the treasure was cursed, and in time it brought death to noble and peasant, war between Man and Dwarf, strife and destruction beyond reckoning. Now, generations later, as the conflict continues, the great Dragon Black Kalgalath, in league with the Wizard Andrak, appears to avenge Sleeth 's death and claim the Dragon-cursed hoard. Against this unholy alliance, two sworn enemies set forth to find a legendary long-lost weapon: a warhammer of incalculable power that may be the only hope of victory. But neither the Warrior Maiden Elyn nor the Dwarf Thork is prepared for the dangers awaiting them on this quest....

This book is filled with poetry about youth finding love, new experiences, and living life. This book is also filled with poetry about that love turning abusive, the experiences turning harsh and unwanted, and life turning cold and dark. This book is filled with poetry about learning self love, finding the best in making new experiences, and learning to love life again. I think there's something in this book everyone can relate to at one time or another whether it be; new love and naivete, a toxic relationship, drug/alcohol use (the fun and the not fun kind), and self-love.

Music Box Danseur is a ballet-based version of a dramatic and tragic love story set in London, England. Written in a fictional account the story profiles the often brilliant and highly turbulent on and off stage partnership between two of Europe's greatest professional male dancers.

The complete works of one of England's greatest Edwardian writers Saki is perhaps the most graceful spokesman for England's 'Golden Afternoon' - the slow and peaceful years before the First World War. Although, like so many of his generation, he died tragically young, in action on the Western Front, his reputation as a writer continued to grow long after his death. His work is humorous, satiric, supernatural, and macabre, highly individual, full of eccentric wit and unconventional situations. With his great gift as a social satirist of his contemporary upper-class Edwardian world, Saki is one of the few undisputed English masters of the short story and one of the great writers of a bygone era. For more than seventy years, Penguin has been the leading publisher of classic literature in the English-speaking world. With more than 1,700 titles, Penguin Classics represents a global bookshelf of the best works throughout history and across genres
