Academic Discourse 2 –

[Asynchronous Learning Pack
2] Language And Literacy

Studying Discourse

Language and Literacy makes
that connection. It

introduces the study of
language as

discourse--language as it is
used by speakers and writers
for authentic purposes. It
offers prospective teachers
of both first and second
language learners the formal
underpinnings about language
that they need for their
teaching of language and
literacy.

people to establish a social place and ways for others to judge them (see Trudgill, 1995).

Bakhtinian Perspectives on Language, Literacy, and Learning

Writing teachers have been focusing on discourse structures in their classrooms since the 1960s when teaching moved from the sentence level to the discourse level with the introduction of a focus on rhetorical functions in the teaching of second language writing. Examples of rhetorical functions include descriptions, narratives, definitions,

Discourse analysis which combines attention to how people use language and other communication systems in constructing language and literacy events in classrooms with attention to social, cultural, and political processes.

Discourse Analysis and the Study of Classroom Language and ...

Fasold (1990:65) posits that "the study of discourse is the study of any aspect of language use." In simple words, discourse analysis is "the study of language in use". The discipline is based on the fact that language needs a context for

File Type PDF Language And Literacy Studying

its existence and it is impossible to understand the linguistic items, used in discourse, without a context.

The Functions of Language in Discourse with Examples ...

The connections between language and discourse mean that one cannot study language in depth without also studying discourse. Studying these areas, in turn, requires an understanding of cultural contexts. This is why linguistics is such a challenging field: meaning is not constant. Linguists are constantly trying to figure out exactly how ...

What Is the Relationship
And Circums
between Language and
Discourse?

Through that, students can learn oral discourse management of rhythm and intonation as well as having a chance to explore authentic social interaction that takes place between people in L2. Then, a teacher can design a role play or student-led discussions and debates in order for the students to practice speaking through what they have learned, and assign a writing exercise to practice writing.
