Gardening - campus-
haacht.be

These are a few of the words that come to mind when I think about how we use gardens to teach and grow love in kids. I've written before about the importance of allowing children time outside to develop empathy for and a connection to nature.

Bookmark File PDF Lets Grow

Watching and caring for a delicate plant as it grows from seed to harvest instills in kids a sense of empathy and compassion, of the interconnectedness of nature and their responsibility (as a part of it) to care of it.
