The Role of the Teacher in Tibetan Buddhism: A Reader's Guide to the Teacher-Student Relationship. To truly understand Tibetan Buddhism, one must come to grips with the unique role of the teacher, the dynamics of the teacher-student relationship, and the possibilities that having a teacher can open up. Tibetan Buddhism is composed of the Vajrayana or Tantric teachings on top of a foundation of the Sutrayana (vehicle of the Sutras), the core teachings of what are sometimes called the ...

Buddhism is a religion founded around 400-500 BC by Sakyamuni Buddha. According to tradition, Prince Siddharta Gautama (the Buddha's former name) was born in Lumbini as heir to the throne of the Kingdom of Sakya (in present day Nepal, near the Indian border). He was raised in the palace with the best luxuries money can buy, but shut off from the outside world by his father, the king.

Immortality is eternal life, being exempt from death; unending existence. Some modern species may possess biological immortality.. Certain scientists, futurists, and philosophers have theorized about the immortality of the human body, with some suggesting that human immortality may be achievable in the first few decades of the 21st century. Other advocates believe that life extension is a more ...
