This Christmas join the De La Fuentes and McKenzies in Blossom Creek as they celebrate the grand opening of Emelia 's Restaurant. Over twenty years after Levi De La Fuente's parents opened the first Emelia 's, Levi and his cousin Ryan are getting ready to open a second location. Emma De La Fuente manages the first Emelia 's in Essex, Vermont for her parents. She 's in town to assist her brother and cousin in getting the new restaurant ready for its grand opening. However, she didn 't plan on the strong attraction she feels toward the town Sheriff. The man with his sweet words and heated looks has managed to derail her plans on returning home. While his sister is distracted, Levi finds himself in need of rescuing from a rather embarrassing situation. Luckily for him, Vivien Taylor, owner of Temptations, Blossom Creek 's handmade chocolate store, appears just at the right time. If only he didn 't crave the sweet woman, then maybe, this situation wouldn 't be so awkward. Blossom Creek just might be warm enough to melt the snow this holiday season.

Long ago, a little girl named Laura Ingalls lived in a little house in the Big Woods of Wisconsin with her Pa, her Ma, her sisters, Mary and Carrie, and their good old bulldog, Jack. Winter was just around the corner, and Laura worked hard to help make the little house ready for the cold days ahead. Soon there was frost on the windows and snow on the ground, but Laura and her folks were warm and cozy in their snug little house in the Big Woods. Laura Ingalls Wilder's Little House books have been cherished by generations of readers. Now for the first time, the youngest readers can share her adventures in these very special picture books adapted from Laura Ingalls Wilder's beloved storybooks. Ren é e Graef's warm paintings, inspired by Garth Williams' classic Little House illustrations, bring Laura
