Hey Rob, Thanks for the reply. Maybe I'm really bad at Googling, but in terms of handling delays, there doesn't seem to be much out there. I'd like to find a good book, but the only one I ever see floating around is "Mud Game Programming" by Penton. Can anyone suggest any books other

MUD Programming Questions - General and Gameplay ...

Hi, I'm a rookie Java programmer that will be creating a MUD from scratch later this year for academic purposes. I'm pretty excited about it and I'm looking for resources so I can potentially start early. I'm looking at purchasing Ron Penton's MUD Game Programming book and also reading a few guides offered online like MUD Pies on visualworldlets.
