## Oceanic — Greg Egan

Oceanic is the third book of short stories I've read by Greg Egan—so clearly I like his work well enough. Still, he can be pretty clunky as a writer. I don't mind that the characters are pretty flat and that relationships are crudely drawn, really, because this is a fiction of ideas first and foremost.

Synthesized into the story of a young man growing up in a culture with a Christian-esque belief, Egan's 1998 novella *Oceanic* is a prime example of his worldview in fictional form. (Please note this review is for the novella *Oceanic*, and not the short story collection of the same name by Egan.)
