engaging writing style, and an... Operations Management - Nigel Slack, Stuart Chambers... Slack et al., (2012, p.405) explain

Operations Management Slack Et Al 6th Edition

Operations management is important, it is exciting, and it is challenging. It is concerned with creating the products and services upon which we all depend and creating products and services is the very reason for any organization's existence, whether that organization be large or small, manufacturing or service, for profit or not for profit.
