This is a brilliant translation of the Aab-e-hayat (Water of Life), the last classical anthology of Urdu poetry. First published in 1880, it has exerted enormous influence over modern Urdu literary history.

Rumi is now acknowledged as one of the great mystical poets of the Western world, with huge sales of the many collections of his poetry. Not much is known about his life except that he lived in thirteenth-century Anatolia (now Turkey), had a great spiritual friendship with a wild man called Shams, brought an adopted daughter into his family, and was distraught when Shams finally disappeared. Rumi's Daughter is the delightful novel about Kimya, the girl who was sent from her rural village to live in Rumi's home. She already had mystical tendencies, and learned a great deal under Rumi's tutelage. Eventually she married Shams, an unusual husband, almost totally absorbed by his longings for God. Their marriage was fiery and different and, in the end, dissolved by Kimya's death - after which Shams vanished. Rumi's Daughter tells Kimya's story with great charm and tenderness. Well written and thought-provoking, it is sure to draw comparison with Paolho Coelho's The Alchemist, and also to add something fresh and new to what is so far known about Rumi.

Published ahead of Paul Scott’s Raj Quartet and long before Midnight’s Children, Abdullah Hussein’s ambitious saga of social struggle The Weary Generations was a bestseller in Urdu. Published in 1963 and now beyond its 40th edition, it has never been out of print. A vivid depiction of the widespread disillusionment and seismic upheavals of the Partition era that lead to the creation of Pakistan and Bangladesh, there has never been a more opportune time to discover one of the most important writings about the post-colonial trauma in the region. Naim, son of a peasant, marries Azra, the daughter of a rich landowner. Fighting for the British during World War I he loses an arm. Invalided home, he becomes angered at the subjugation of his countrymen under the Raj and aligns himself with the opposition. His ideals are swept away after Independence in 1947 when he realizes that, as Muslims, his family is no longer safe in their Indian home and that they must migrate to the newly created Pakistan. Regarded as one of the half-dozen most influential novels dealing with Partition or post-colonial malaise, this is an immensely powerful novel in its own right and is essential reading for English language readers seeking to comprehend the historical origins of the tensions in the Indian subcontinent.

A sheltered Pakistani girl is sent to America by her parents, with unexpected results: “Entertaining, often hilarious . . . Not just another immigrant’s tale.” —Publishers Weekly Feroza Ginwalla, a pampered, protected sixteen-year-old Pakistani girl, is sent to America by her parents, who are alarmed by the fundamentalism overtaking Pakistan—and influencing their daughter. Hoping that a few months with her uncle, an MIT grad student, will soften the girl’s rigid thinking, they get more than they bargained for: Feroza, enthralled by American culture and her new freedom, insists on staying. A bargain is struck, allowing Feroza to attend college with the understanding that she will return home and marry well. As a student in a small western town, Feroza finds her perceptions of America, her homeland, and herself beginning to alter. When she falls in love with a Jewish American, her family is aghast. Feroza realizes just how far she has come—and wonders how much further she can go—in a delightful, remarkably funny coming-of-age novel that offers an acute portrayal of America as seen through the eyes of a perceptive young immigrant. “Humorous and affecting.” —Library Journal “Exceptional.” —Los Angeles Times “Her characters [are] painted so vividly you can almost hear them bickering.” —The New York Times
