As a young boy, running through the mountain valleys of Italy, Mark Gentile dreams of success-the kind of success that happens in a boardroom, far away from the country life. So after graduating from law school, Mark quickly climbs the corporate and legal ladder, eventually becoming CEO of a leading auto manufacturer. But after butting heads with company leaders, Mark fears he has compromised his ethics. With his wife's blessing, Mark returns to Acerenza, his birthplace in southern Italy. While enjoying the leisurely pace of the new life he's found in his old home, however, Mark must make a decision: Should he abandon his roots for a second time and satisfy his innate hunger for the struggles and rewards of corporate life? Or should he embrace his native land and create a more balanced life for himself and his family?
