governance is brought up to date with the incorporation of the Greenbury and Hampel Reports and the Combined Code on Corporate Governance and the work of the DTI on reform of company law is explained.

The book provides a clear, readable and concise account of a broad range of topics for students who are studying law as part of another course. It is widely used on national diploma courses, and also on first degree courses in Accountancy, Business Studies and Commerce.

# Read Online Scottish Business Law

This revised edition takes account of the developments in the law since the first edition was published. The book continues to cover some of the most important rules which regulate the business world, and it seeks to emphasize the role which these rules might play in the planning and execution of business activities, while pointing out that the law is only one influential factor on such activities. The four years since the first edition have seen a considerable
