Second To No One Natalie

Second to No One is the sequel to Natalie Palmer's Second Kiss. It's been a few years since I read Second Kiss so I needed a bit of time to catch up as I read where everyone stood in this story and who was who. But once I became reacquainted, the story flowed easily.

Second to No One Quotes by Natalie Palmer

Very excited to hear there will be a sequel to Second Kiss! I just finished the first book and found it very refreshing, sweet, cute, and thought it perfectly described how teens at this age would act and speak. Couldn't put it down and finished it the same day I started reading it. Can't wait for Second to No One to be released.
