SECULARISM AND STATE POLICIES TOWARD RELIGION, THE UNITED ...

Arguing that state policies toward religion are the result of ideological struggles, he identifies two conflicting trends in secular states: assertive and passive secularism. Assertive secularism assigns the state the role of excluding religion from the public sphere and confining it to the private realm; passive secularism allows public visibility of religion (pp. 11-14).

Secularism and State Policies toward Religion: The United ...

Secularism itself according to Kuru is not an absolute condition, in some states it has some flexibility, while elsewhere it remains largely impenetrable. Kuru's ideas make sense intuitively in the state-religious policies debate, but the analysis is largely based on the policies of the state towards religion in education policies.
