The writings of Carl Schmitt are now indissociable from both an historical period and a contemporary moment. He will forever be remembered for his association with the National Socialists of 1930s Germany, and as the figure whose writings on sovereignty, politics, and the law provided justification for authoritarian, decisional states. Yet at the same time, the post-September 11th 2001 world ...

The paper argues that all emotions possess a spatial and objective, social character. We can gain access to them only insofar as we are affected by them in a felt-bodily way. Therefore, we need a conception of felt embodiment if we are to achieve a philosophical understanding of the spatial character of emotions.
