The tale begins over three-hundred years ago, when the Fair People—the goblins, fairies, dragons, and other fabled and fantastic creatures of a dozen lands—fled the Old World for the New, seeking haven from the ways of Man. With them came their precious jewels: diamonds, rubies, emeralds, pearls... But then the Fair People vanished, taking with them their twelve fabulous treasures. And they remained hidden until now... Across North America, these twelve treasures, over ten-thousand dollars in precious jewels in 1982 dollars, are buried. The key to finding each can be found within the twelve full-color paintings and verses of *THE SECRET*. Are you smart enough? *THE SECRET: A TREASURE HUNT* was published in 1982. The year before publication, the author and publisher Byron Preiss had traveled to 12 locations in the continental U.S. (and possibly Canada) to secretly bury a dozen ceramic casques. Each casque contained a small key that could be redeemed for one of 12 jewels Preiss kept in a safe deposit box in New York. The key to finding the casques was to match one of 12 paintings to one of 12 poetic verses, solve the resulting riddle, and start digging. Since 1982, only two of the 12 casques have been recovered. The first was located in Grant Park, Chicago, in 1984 by a group of students. The second was unearthed in 2004 in Cleveland by two members of the Quest4Treasure forum.

In a wild and battle-scarred galaxy, assassins, pirates, smugglers, and cutthroats of every description roam at will, fearing only the professional bounty hunters-amoral adventurers who track down the scum of the universe...for a fee. When Darth Vader seeks to strike at the heart of the Rebellion by targeting Han Solo and the Millennium Falcon, he calls upon six of the most successful-and feared-hunters, including the merciless Boba Fett. They all have two things in common: lust for profit and contempt for life... Featuring original stories by Kevin J. Anderson, M. Shayne Bell, Daniel Keys Moran, Kathy Tyers and Dave Wolverton. Features a bonus section following the novel that includes a primer on the Star Wars expanded universe, and over half a dozen excerpts from some of the most popular Star Wars books of the last thirty years!

The title of this book refers to the classic time and place for magic, witchcraft, and divination in Russia. The Bathhouse at Midnight, by

File Type PDF The Anic Treasure Key Hunters 5

one of the world's foremost experts on the subject, surveys all forms of magic, both learned and popular, in Russia from the fifth to the eighteenth century. While no book on the subject could be exhaustive, *The Bathhouse at Midnight* does describe and assess all the literary sources of magic, witchcraft, astrology, alchemy, and divination from Kiev Rus and Imperial Russia, and to some extent Ukraine and Belorussia. Where possible, Ryan identifies the sources of the texts (usually Greek, Arabic, or West European) and makes parallels to other cultures, ranging from classical antiquity to Finnic. He finds that Russia shares most of its magic and divination with the rest of Europe. Subjects covered include the Evil Eye, the Number of the Beast, omens, dreams, talismans and amulets, plants, gemstones, and other materials thought to possess magic properties. The first chapter gives a historical overview, and the final chapter summarizes the political, religious, and legal aspects of the history of magic in Russia. The author also provides translations of some key texts. *The Bathhouse at Midnight* will be invaluable for anyone—student, teacher, or general reader—with an interest in Russia, magic, or the occult. It is unique in its field and is set to become the definitive study of Russian magic.

50th Anniversary Edition • With an introduction by Caity Weaver, acclaimed New York Times journalist This cult classic of gonzo journalism is the best chronicle of drug-soaked, addle-brained, rollicking good times ever committed to the printed page. It is also the tale of a long weekend road trip that has gone down in the annals of American pop culture as one of the strangest journeys ever undertaken. Also a major motion picture directed by Terry Gilliam, starring Johnny Depp and Benicio del Toro.
