The Body Economic: Why Austerity Kills: Stuckler, David...

In The Body Economic, Stuckler and Basu mine data from around the globe and throughout history to show how government policy becomes a matter of life and death during financial crises. In a series of historical case studies stretching from 1930s America, to Russia and Indonesia in the 1990s, to present-day Greece, Britain, Spain, and the U.S., Stuckler and Basu reveal that governmental mismanagement of financial strife has resulted in a grim array of human tragedies, from suicides to HIV ...

In The Body Economic, Stuckler and Basu mine data from around the globe and throughout history to show how government policy becomes a matter of life and death during financial crises. In a series of historical case studies stretching from 1930s America, to Russia and Indonesia in the 1990s, to present-day Greece, Britain, Spain, and the U.S., Stuckler and Basu reveal that governmental mismanagement of financial strife has resulted in a grim array of human tragedies, from suicides to HIV ...

The Body Economic: Why Austerity Kills: Amazon.co.uk...

In a similar vein to Naomi Klein's seminal book No Logo on branding and globalisation, The Body Economic addresses the matter of health in austere times and the effects of policy decisions on the health and well-being of the citizens of countries struggling with major economic crises. With a little less of Klein's activism, but with no less passion, the book calls for evidence based policies to protect and meet health needs, thus avoiding attempts to provide care on a person's ...

The Body Economic: Eight experiments in economic recovery...

What The Body Economic offers is not objective truth, but a subjective and flawed polemic. Its argument is that "austerity" directly causes ill health and increases mortality rates; but austerity...

Book review: The Body Economic: Why Austerity Kills, By...

Author: David Stuckler, Sanjay Basu Narrated by: Tim Andres Pabon. Politicians have talked endlessly about the seismic economic and social impacts of the recent financial crisis, but many continue to ignore its disastrous effects on human health – and have even exacerbated them, by adopting harsh austerity measures and cutting key social programs at a time when constituents need them most.

The Body Economic: Why Austerity Kills By: David Stuckler...

In The Body Economic: Why Austerity Kills, David Stuckler and Sanjay Basu investigate the human cost of austerity, especially when governments have axed spending on healthcare and social benefits.

The Body Economic by David Stuckler and Sanjay Basu: When...

Ultimately austerity has failed because it is unsupported by sound logic or data. It is an economic ideology. It stems from the belief that small government and free markets are always better than...

'Why Austerity Kills' | The Tyee

Stuckler and economist Sanjay Basu's recent book, The Body Economic: Why Austerity Kills, was called "a powerful indictment of the unnecessary suffering and rising mortality rates associated with austerity policies unsoftened by remedial social programmes," by The Financial Times' Harry Eyres.

David Stuckler on Austerity and Death—Social Science Space

Stuckler and Basu persuasively demonstrate that economic austerity adversely affects the health of all citizens, and not just of those who directly rely upon government-provided services. As...
