Mosquito The tropical island of Sri Lanka is a paradise for tourists, but in 2009 it became a hell for its Tamil minority, as decades of civil war between the Tamil Tiger guerrillas and the government reached its bloody climax. Caught in the crossfire were hundreds of

Frances Harrison, a BBC correspondent for Sri Lanka during the conflict, recounts those crimes for the first time in sobering, shattering detail.

For three decades, Sri Lanka's civil war tore communities apart. In 2009, the Sri Lankan army finally defeated the separatist Tamil

Tigers guerrillas in a fierce battle that swept up about 300,000 civilians and killed more than 40,000. More than a million had been displaced by the conflict, and the resilient among them still dared to hope. But the next five years changed everything. Rohini Mohan's

searing account of three lives caught up in the devastation looks beyond the heroism of wartime survival to reveal the creeping violence of the everyday. When city-bred Sarva is dragged off the streets by state forces, his middle-aged mother, Indra, searches for him

through the Lanka
labyrinthine Sri
Lankan bureaucracy.

Meanwhile, Mugil, a
former child soldier,
deserts the Tigers in
the thick of war to
protect her family.

Having survived, they
struggle to live as the
Sri Lankan state
continues to attack
minority Tamils and
Muslims, frittering

away the era of
peace. Sarva flees
the country, losing his
way – and almost his
life – in a bid for
asylum. Mugil stays,
breaking out of the
refugee camp to
rebuild her family and
an ordinary life in the
village she left as a
girl. But in her
tumultuous world,
desires, plans, and

Seasons of Trouble is
a startling, brutal, yet
beautifully written
debut from a prize-

a classic piece of
reportage, five years
in the making, and a
trenchant,
compassionate
examination of the

corrosive effect of
conflict on a people.

Of Tamil Tigers Cordon Wala

In 2009, the Sri
Lankan government

forces literally
eradicated the Tamil
Tiger insurgency after
26 years of civil war.

This was the first time
that a government
had defeated an
indigenous

insurgency by force of

arms. It was as if the British army killed thousands of IRA cadres to end the war in Northern Ireland.

The story of this war is fascinating in itself, besides the international repercussions for terrorism and insurgency worldwide. Many countries involved themselves

in the war to arm the
combatants (China,
Pakistan, India, and
North Korea) or to
bring peace (US,
France, UK, and
Norway). While
researching this work
Professor Moorcraft
was given
unprecedented
access to Sri Lankan
politicians (including
the President and his

brother, the Defense
Permanent
Secretary), senior
generals, intelligence
chiefs, civil servants,
UN officials, foreign
diplomats and NGOs.
He also interviewed
the surviving leader of
the Tamil Tigers. His
conclusions and
findings will be
controversial. He
reveals how the

authorities determined to stamp out Tamil Tiger resistance by whatever means frustrated the media and foreign mediators. Their methods, which have led to accusations of war crimes, were brutally effective but are likely to remain highly contentious for years to come.

The United Nations said the conflict had killed between 80,000 and 100,000 people in Sri Lanka since full-scale civil war broke out in 1983. A US State Department report offered a grisly catalogue of alleged abuses, including the killing of captives or combatants seeking surrender, the

abduction and in some cases murder of Tamil civilians, and dismal humanitarian conditions in camps for displaced persons. Human Rights Watch said the U.S. report should dispel any doubts that serious abuses were committed during the final months of the 26-year civil war. The

report gains added significance since, during these five months, the Sri Lankan Government denied independent observers, including the media and human rights organizations, access to the war zone, and conducted a “war without witnesses.” This book traces the ongoing

For nearly thirty

What happens to the texture of life in a country that endures such bitter conflict?

What happens to the country's soul?

Taking us to the
