A great modern classic and the prelude to The Lord of the Rings, Bilbo Baggins is a hobbit who enjoys a comfortable, unambitious life, rarely traveling any farther than his pantry or cellar. But his contentment is disturbed when the wizard Gandalf and a company of dwarves arrive on his doorstep one day to whisk him away on an adventure. They have launched a plot to raid the treasure hoard guarded by Smaug the Magnificent, a large and very dangerous dragon. Bilbo reluctantly joins their quest, unaware that on his journey to the Lonely Mountain he will encounter both a magic ring and a frightening creature known as Gollum. " A glorious account of a magnificent adventure, filled with suspense and seasoned with a quiet humor that is irresistible . . . All those, young or old, who love a fine adventurous tale, beautifully told, will take The Hobbit to their hearts. " — New York Times Book Review

This is a three-volume paperback boxed set of Tolkien's classic masterpiece, recently voted The Book of the Century.

Begin your journey into Middle-earth. The inspiration for the upcoming original series on Prime Video, The Lord of the Rings: The Rings of Power, The Fellowship of the Ring is the first part of J.R.R. Tolkien ' s epic adventure The Lord of the Rings: One Ring to rule them all, One Ring to find them, One Ring to bring them all and in the darkness bind them. In ancient times the Rings of Power were crafted by the Elven-smiths, and Sauron, the Dark Lord, forged the One Ring, filling it with his own power so that he could rule all others. But the One Ring was taken from him, and though he sought it throughout Middle-earth, it remained lost to him. After many ages it fell into the hands of Bilbo Baggins, as told in The Hobbit. In a sleepy village in the Shire, young Frodo Baggins finds himself faced with an immense task, as his elderly cousin Bilbo entrusts the Ring to his care. Frodo must leave his home and make a perilous journey across Middle-earth to the Cracks of Doom, there to destroy the Ring and foil the Dark Lord in his evil purpose.

An illuminating guide to Middle-earth and the man who created it.

An authorized introduction to the forthcoming film trilogy includes production stills, star and filmmaker biographies, and a behind-the-scenes examination of the making of the Tolkien world.

As the Shadow of Mordor grows across the land, the Companions of the Ring have become involved in separate adventures. Aragorn, revealed as the hidden heir of the ancient Kings of the West, has joined with the Riders of Rohan against the forces of Isengard, and takes part in the desperate victory of the Hornburg. Merry and Pippin, captured by Orcs, escape into Fangorn Forest and there encounter the Ents. Gandalf has miraculously returned and defeated the evil wizard, Saruman. Sam has left his master for dead after a battle with the giant spider, Shelob; but Frodo is still alive—now in the foul hands of the Orcs. And all the while the armies of the Dark Lord are massing as the One Ring draws ever nearer to the Cracks of Doom.

Immerse yourself in Middle-earth with Tolkien's classic masterpiece, telling the complete story of Bilbo Baggins and the Hobbits' epic encounters with Gandalf, Gollum, dragons and monsters, in the quest to destroy the One Ring. When they were first published, The Hobbit and The Lord of the Rings became instant classics. Treasured by readers young and old, these works of sweeping fantasy, steeped in unrivalled magic and otherworldliness have sold more than 150 million copies around the world. This new boxed set offers readers a new opportunity to discover Tolkien's remarkable world of Middle-earth and to follow the complete story of Bilbo Baggins and the Hobbits' part in the epic quest for the Ring - beginning with Bilbo's fateful visit from Gandalf and culminating in the dramatic climax between Frodo and Gollum atop Mount Doom and Bilbo's departure to the Grey Havens.
