The Oyster Catcher, Anglesey  A haven for great views ...  
The Oystercatcher is built on the site of a private house that was previously occupied by a Middle Eastern family. They left abruptly at the start of the first Gulf War in 1992, and the building was left derelict for several years before the Oystercatcher came into being. Our menus are full of hearty favourites and country pub classics, as well as our seasonal spring dishes, and we'll be ready with a well-stocked bar, including cask ales, fine wines and British gin to suit very taste ...

The oystercatcher is a large, stocky, black and white wading bird. It has a long, orange-red bill and reddish-pink legs. In flight it shows a wide, white wing-stripe, a black tail and a white rump that extends as a "V" between the wings. Because it eats cockles, the population is vulnerable if cockle beds are overexploited.

The oystercatchers are a group of waders forming the family Haematopodidae, which has a single genus, Haematopus. They are found on coasts worldwide apart from the polar regions and some tropical regions of Africa and South East Asia.

Oystercatcher - Wikipedia  
The Oyster Catcher has all the elements of a decent romance - escape from previous life, evocative landscape, hard-to-fathom hero and careworn heroine. Yet I struggled with some of the storyline which seemed to drag on too long and with some of the peripheral characters who seemed slightly unbelievable.

OUR STORY Where It All Began The site where the Oyster Catcher is now built was once the Maelog Lake Hotel, run by Dennis and Elsie Clutton until the late 1970's. Although a fond reminder of the village's past, the old Maelog Lake Hotel was left to fall into disrepair until 2009 when the Timpson family discovered the once treasured building.
