Things You Find on the Side of the Road is a whimsical book about life and how we see others who are not like us. It garners thought and insight into the lives of others no matter how different they are. The main character is a woman who finds herself thrown into a new world she never thought much of, until it affects her life. She finds herself changed and with an outcome she never expected to her adventure.

Some Japanese words and phrases, even though they lie at the core of the language, forever elude the student's grasp. They are not explained satisfactorily in dictionaries or textbooks for the simple reason that they cannot be conveniently defined. Japanese Core Words and Phrases brings these recalcitrants to bay. The book is divided into two parts, each of which is arranged in alphabetical order. The first part is devoted to words indicating physical as well as psychological distance—roughly equivalent to "this," "that," "that over there," and "where," but quite different in usage. Physical distance is covered in most textbooks, but psychological distance—every student's nemesis—is not. The second part of the book covers a variety of idiomatic expressions, many of which appear in Japanese proficiency tests. Each entry word or phrase is not simply explained but exemplified in sentence form, clarifying its meaning (in the case of many students) for the very first time. Japanese Core Words and Phrases has a great deal to offer the beginning student and much to offer the intermediate student. Little more can be asked of a book on the Japanese language. Previously published in the Power Japanese series as Core Words and Phrases: Things You Can't Find in a Dictionary.

A classic work of American literature that has not stopped changing minds and lives since it burst onto the literary scene, *The Things They Carried* is a ground-breaking meditation on war, memory, imagination, and the redemptive power of storytelling. *The Things They Carried* depicts the men of Alpha Company: Jimmy Cross, Henry Dobbins, Rat Kiley, Mitchell Sanders, Norman Bowker, Kiowa, and the character Tim O'Brien, who has survived his tour in Vietnam to become a father and writer at the age of forty-three. Taught everywhere—from high school classrooms to graduate seminars in creative writing—it has become required reading for any American and continues to challenge readers in their perceptions of fact and fiction, war and peace, courage and fear and longing. *The Things They Carried* won France's prestigious Prix du Meilleur Livre Etranger and the Chicago Tribune Heartland Prize; it was also a finalist for the
