In this book, Florence Wambugu and Daniel Kamanga of Africa Harvest Biotech Foundation International bring together expert African

File Type PDF Ukzn Past Papers

authorities to critique various biotechnology initiatives and project future developments in the field in Africa. For the first time, African voices from multidisciplinary fields as diverse as economics, agriculture, biotechnology, law, politics and academia, demand to be allowed to set

File Type PDF Ukzn Past Papers

the continent ' s biotech development agenda. This book argues that there is a great future for biotechnology in Africa which sidesteps western interests that do not match those of the local populace. In these diverse chapters, Africa ' s political and scientific leaders demand a greater

File Type PDF Ukzn Past Papers

say in how research and development funds are allocated and spent. They argue that Africa ' s political leaders must see both clear benefits and have elbow-room to drive the change required. This is the way that African governments can employ workable policies, suitable biosafety legislation
