Mixing their friends together induces irreversible crushes and late-night courtship. The 67-song playlist will embed you in every intense moment.

The mission was to kill the most wanted man in the world--an operation of such magnitude that it couldn't be handled by just any military or intelligence force. The best America had to offer was needed. As such, the task was handed to roughly forty members of America's supersecret counterterrorist unit formerly known as 1st Special Forces Operational Detachment-Delta; more popularly, the elite and mysterious unit Delta Force. The American generals were flexible. A swath of hair, a drop of blood, or simply a severed finger wrapped in plastic would be sufficient. Delta's orders were to go into harm's way and prove to the world bin Laden had been terminated. These Delta warriors had help: a dozen of the British Queen's elite commandos, another dozen or so Army Green Berets, and six intelligence operatives from the CIA who laid the groundwork by providing cash, guns, bullets, intelligence, and interrogation skills to this clandestine military force. Together, this team waged modern siege of epic proportions against bin Laden and his seemingly impenetrable cave sanctuary burrowed deep inside the Spin Ghar Mountain range in eastern Afghanistan. Over the years, since the battle ended, scores of news stories have surfaced offering tidbits of information about what actually happened in Tora Bora. Most of it is conjecture and speculation. This is the real story of the operation, the first eyewitness account of the Battle of Tora Bora, and the first book to detail just how close Delta Force came to capturing bin Laden, how close U.S. bombers and fighter aircraft came to killing him, and exactly why he slipped through our fingers. Lastly, this is an extremely rare inside look at the shadowy world of Delta Force and a detailed account of these warriors in battle.

Raise a kind and confident son with this advice for parenting boys ages 8 to 12 Parenting a young boy can feel like total chaos, especially if he's your first. His mind and body are changing, and so is his relationship with you. How do you handle puberty? His schoolwork? Health and hygiene? Don't worry, The First-Time Mom's Guide to Raising Boys will walk you through all of it with clear and proven advice from a mom of four (yes, four!) boys. Learn how to be a supportive resource and a role model for your son, and how to talk to him about the challenges he'll face. Find strategies for everything from teaching social responsibility to helping him build self-esteem and integrity. This is your complete resource for raising boys: Tackling the tough stuff--Address important issues like puberty, sex, consent, and mental health, with advice for initiating crucial conversations. For modern families--Explore advice that works for families of all types, plus tips for raising boys in the ever-expanding digital worlds of YouTube, Twitch, and more. Moments of reflection--Each chapter ends with thought-provoking questions that encourage you to think about your hopes and fears as a parent, and identify your values and priorities. Connect with your son and set him up for a happier adulthood with this ultimate guide to raising boys.

Of all the gang-riddled urban corners in America, the Pico-Aliso neighborhood of East Los Angeles is among the most intense. Eight separate gangs - seven of them Latino - fight for turf here every night in desperate confrontation. The constant maelstrom of high drama and tragedy has bred a dramatic and desperate cast of characters. These are the homeboys - young men between the ages of thirteen and twenty-two, with names like Wicked, Shotgun, and Ghost - who have turned to the streets for self-definition. And Father Greg Boyle is often the one safe anchor in the constantly shifting turbulence of their lives. In a world with too few genuine heroes, Greg Boyle is the real thing. A complicated and charismatic man, Father Greg (or "G-Dog," as the kids call him) offers hope to these young men and women on whom the rest of the world has given up. Father Greg is the one to whom the mothers in the neighborhood turn to pull their sons back from the brink of despair - or to bury their sons when hope and help did not come soon enough. Celeste Fremon takes the reader into the previously unexplored realms of contemporary Mexican-American street gangs. Fremon opens the door to this world with detailed portraits of the East L.A. homeboys' brutality and of their dreams, their anguish, and their humanity - all against the backdrop of the priest's relentless battle to stop the killing. Finally, after giving years to what he believes is his true calling, by decree of the Catholic hierarchy, Father Greg is sent away from the community and the homeboys who have come to love and depend upon him. It is then that we see the power of the mothers of the barrio as they go to war to bring their priest back "home."

!A rollicking murder mystery... a wildly entertaining romp... Laught? I died!!!Vogue The New York Times bestselling author of Bergdorf Blondes takes us back to the decadent 1980s in this comic murder mystery set in the tony world of Oxford University. It's 1985, and at Oxford University, Pimm's, punting, and ball gowns are de rigeur. Ursula Flowerbutton, a studious country girl, arrives for her first term anticipating nothing more sinister than days spent poring over history books in gilded libraries/and, if she's lucky, an invitation to a ball. But when she discovers a glamorous classmate on a chaise longue with her throat cut, Ursula is catapulted into a murder investigation. Determined to bag her first scoop for the famous student newspaper Cherwell, Ursula enlists the help of trend-setting American exchange student Nancy Feingold to unravel the case. While navigating a whirl of black-tie parties and secret dining societies, the girls discover a surfeit of suspects. From broken-hearted boyfriends to snobby Sloane Rangers, lovelorn librarians to dishy dons, none can be presumed innocent!and Ursula's investigations mean that she may be next on the murderer's list. Clueless meets Agatha Christie in this wickedly funny tale of high society and low morals, the first book in Plum Sykes' irresistible new series.

Roald Dahl's irreverent and hilarious collection, Revolting Rhymes. This book is filled with revolting rhymes. (Be warned: It's no ordinary Once upon a time). There's poor Cindy whose heart was torn to shreds, because her Prince, he chops off heads! Snow White's dwarfs although awfully nice, are guilty of one shocking vice... And what becomes of Goldilocks, that nasty thieving little louse, when she goes sneaking around the three bear's house... Listen to REVOLTING RHYMES and other Roald Dahl audiobooks read by some very famous voices, including Kate Winslet, David Walliams and Steven Fry - plus there are added squeelchy soundeffects from Pinewood Studios! Look out for new Roald Dahl apps in the App store and Google Play- including the disgusting TWIT OR MISS! inspired by the revolting Twits.

One AMAZING new novella. Three GRIPPING new stories. In the ULTIMATE story collection. We all know that doors are for people with no imagination so smash the glass, climb through the window and enter the awesome world of Skulduggery Pleasant with this ultimate story collection. For the first time, every Skulduggery Pleasant short story - plus The End of the World, the World Book Day novelette - is collected into one magnificent volume. But that's not all... Written specially for this collection, there is an entirely new novella that will drag you into a nail-biting American horror story, Skulduggery-style, and three brand-spanking-new stories spanning the last 150 years. Join Gordon Edgley as he parties like it's 1985, watch Valkyrie Cain face a vampire in a fight to the death, and see the Dead Men as you've never seen them before. And then read the exclusive chapter from the final book... Introduced by Derek, these are the hidden stories of the skeleton who saves the world... and the girl who's destined to destroy it.
