#2 NEW YORK TIMES BESTSELLER\* • “Rogen’s candid collection of sidesplitting essays . . . thrives at both explaining and encapsulating a generational comedic voice.”—The Washington Post A collection of funny personal essays from one of the writers of Superbad and Pineapple Express and one of the producers of The Disaster Artist, Neighbors, and The Boys. (All of these words have been added to help this book show up in people’s searches using the wonders of algorithmic technology. Thanks for bearing with us!) Hi! I’m Seth! I was asked to describe my book, Yearbook, for the inside flap (which is a gross phrase) and for websites and shit like that, so... here it goes!!! Yearbook is a collection of true stories that I desperately hope are just funny at worst, and life-changingly amazing at best. (I understand that it’s likely the former, which is a fancy “book” way of saying “the first one.”) I talk about my grandparents, doing stand-up comedy as a teenager, bar mitzvahs, and Jewish summer camp, and tell way more stories about doing drugs than my mother would like. I also talk about some of my adventures in Los Angeles, and surely say things about other famous people that will create a wildly awkward conversation for me at a party one day. I hope you enjoy the book should you buy it, and if you don’t enjoy it, I’m sorry. If you ever see me on the street and explain the situation, I’ll do my best to make it up to you. \*I was beaten by Bill O’Reilly, which really sucks.

\* A USA Today Bestseller \* Misfit teen Lola Lundy has every right to her anger and her misery. She's failing in school, living in a group home, and social workers keep watching her like hawks, waiting for her to show signs of the horrible mental illness that cost Lola's mother her life. Then, one night, she falls asleep in a storage room in her high school library, where she's seen an old yearbook--from the days when the place was an upscale academy for young scholars instead of a dump. When Lola wakes, it's to a scene that is nothing short of impossible. Lola quickly determines that she's gone back to the past--eighty years in the past, to be exact. The Fall Frolic dance is going full blast in the gym, where Lola meets the brainy and provocative Peter Hemmings, class of '24. His face is familiar, because she's seen his senior portrait in the yearbook. By night's end, Lola thinks she sees hope for her disastrous present: She'll make a new future for herself in the past. But is it real? Or has the major mental illness in Lola's family background finally claimed her? Has she slipped through a crack in time, or into a romantic hallucination she created in her own mind, wishing on the ragged pages of a yearbook from a more graceful time long ago?

The dramas, the traumas, the rumours - it's time to expose it all...Mean Girls meets To All The Boys I've Loved Before in this painfully relatable high-school takedown from the queen of UKYA. Working on the school newspaper, Paige is used to dealing with fake stories. How popular girl Grace is a such an amazing person (lie). How Laura steals people's boyfriends (lie). How her own family are so perfect (lie). Now Grace and friends have picked their "best" high-school moments for Paige to put in the all-important Yearbook. And they're not just fake. They're poison. But Paige has had enough of all the lies in her life. And with the help of Elijah - the only boy who could ever understand her - she's going to reveal the truth, whatever the cost... Paige Vickers: Most likely to...bring down the mean girls.

It was the first day of school at Lakeview High, and everyone was afraid of something. Michaela Choi was afraid that Ethan Beck was never going to ask her out on a date.Andrea Beck was afraid that someone would find her weak spot, the chink in her armor. She was afraid of knowing what it was herself.Principal Downing was afraid she was going to die.Julie Reid was afraid that no one would notice her. She was also afraid that someone would. And there was a deeper, unnamed fear inside her that she couldn't escape-a fear that she was nothing and no one??Yearbook is a captivating story about relationships and heartaches and fears and ideas and doubts and testimonies and everything that a teenage mind and backpack can contain. But most important, Yearbook is a novel about how everyone has something to offer and something to learn.

Somewhere off the Southern State Parkway in Nassau County, NY is the thown of "Waterfield" and in it is Waterfield High School, attended by, among others: Ro-Anne Sommers, crowned Little Miss Eastern United States, now ponytailed and prettiest-girl-at-school-best-cheerleader, at fifteen making out in a Chevy backseat with...Corky Henderson, his father's little man since age three, now star quarterback, king of the jocks, with only those between-game nightmares threatening his future perfect, the subject of the special dreams of...Amy Silverstein, not-so-lovely to look at, smart, the flip side of Ro\_Anne, a born late-blooper, partner in spirit of...Guy Fowler, brainy, pint-sized, the flip side of Corky...or so it would seem... Five years later, at the class of '59's reunion, you can hardly tell the players by their names. What happened, how and why is the story of Yearbook. It is also the story of anyone who has ever been young, who remembers his or her senior prom with its "shining, mirrored ball, spinning, fragmenting rality." It is a story of growing up in America.
