This book explains in detail how to give psychic readings by interpreting the Pattern formed when a Reader or the Subject of a reading drops Sixteen Stones into a Circle of

Online Library You Are Psychic The Art Of Clairvoyant Reading Amp Healing Debra

leather or lace, which represents the environment. Every Pattern is unique, and each reveals - in symbolic form - layer upon layer of information that is read in a clock-like fashion, starting at or near the center of the Circle and reading towards 12 o'clock, then around the Circle with each hour on an imaginary clock representing one week. Readers develop skill at Lithomancy by knowing the symbolism and meaning behind each Stone and the different ways to 'see' a Pattern, then combining that knowledge with intuition to interpret what the Pattern represents. Every person is different, and every Reader will invariably develop a personal style and read from a unique psychic perspective. In general, Lithomancy readings offer insights into many different issues that have or will come up over the next

Online Library You Are Psychic The Art Of Clairvoyant Reading Amp Healing Debra

three months: personal, financial, relationships, home, business plans, spiritual issues, unexpected changes, etc. The Patterns reveal how these issues interrelate, why they are occurring, and how the challenges a person faces can be used as opportunities. Patterns also reveal the 'light at the end of the tunnel, ' and show how - via free will - a person can become and stay empowered, benefit from their situations, create positive outcomes, and expand in personal and spiritual growth, regardless of the situation. Once a Reader learns the basics of this powerful and versatile psychic art system, he or she can apply variations to read for people other than the Subject or for specific situations or matters of concerns, investigations, business plans, unique circumstances, etc. The author, Gary L.
